

UNIT 5 NOTEBOOK

Purpose

Review the unit's key concepts and see how your thinking changed from the beginning to the end of the unit.

Process

Answer the questions below, and then review your answers from the [Lesson 5.1 Unit 5 Notebook](#) to see how your understanding has changed.

Question	Response	How has your understanding changed?
How did the transition to agriculture increase complexity in human societies?		
How did humans begin farming?		
How did farming lead to the development of complex societies?		
Why did some agrarian societies become empires?		
How did long-distance connections increase complexity?
