Junior Privilege

- You may be eligible for Junior Privilege. Junior Privilege allows a student to arrive after Block 1, if their Block 1 is a study hall (SIP). It also allows a student to leave prior to the Block 7 if their Block 7 is a study hall (SIP). Students are not permitted to change their schedule to have study hall (SIP) period 1 or 7.
- This Privilege is recalculated each quarter; therefore, students must meet all of the requirements each quarter. Teaching obligations such as a teacher/office detention or meeting with a teacher after school take precedence over the Privilege. In order to be granted the Privilege, a student must meet the following criteria:
 - * Few conduct referrals, determined by the Dean.
 - * No outstanding (past due) obligations (including Community Service)
- Only complete this form if you have Block 1 or Block 7 study for this term. If you have a study during these blocks later in the year, you will fill out this form then.

Parking Passes

- Passes are \$10 a month now (as of 2/1/26). If you have received a warning in the past, it is still the full \$105.
- You can either pay online ([Link to pay online](#)) or bring money to the Gold Office (cash or checks made payable to Weymouth High School).
- You MUST fill out the form below and pay to be given a pass. **Please only fill out the form if you currently have your license.**
- Passes will be given throughout the year.

Class Dues

- Class Dues for Junior year is \$40.
- Please pay them online or in the gold office.
