01 Affiliate Program

The figures and examples of the income of the Brain Community Bonus Program are potentially achievable and are intended to demonstrate the possibilities if all the specified conditions are met.

The Brain Community project cannot guarantee financial profit from cooperation with every partner. The income of the company's partners directly depends on the fulfillment of the conditions of the Bonus program, activity, personal effectiveness, and efforts made.

02 Partnership with Brain Community

The Brain Community Bonus Program is based on the principles of transparent, fair, and mutually beneficial partnerships.

The purpose of the Bonus program is to provide an opportunity for anyone who wants to become part of our team, to use the Company's products and solutions on favorable terms, as well as to receive additional income from recommendations and product sales.

Your income from the partnership with the Company is not limited by anything, except for your opportunities, personal activity, and efforts.

We wish you success and financial independence!

11 Career bonus

Go up the career ladder, achieve and maintain new qualifications, and the Company will reward you for it!

The achievement of each qualification is accompanied by public recognition, including at online and offline events, with a one-time bonus payment. In addition, qualifications give the opportunity to join closed clubs and undergo training, participate in promotions from the company, corporate vacations, and other activities

All qualifications are achieved accumulatively at the end of each business period (week) based on the smaller branch.
