**Why did you want to watch this show? How did you hear about it?
What grabbed your attention?**

My parents always watch this show at night, so I decided to watch with them while I did my homework.

How many seasons does this show have? What season(s) did you watch?

This show has 14 seasons. I did not watch any full seasons of this show from start to end. You do not need to start from the beginning to understand this show, as every episode is different.

Without spoiling too much, what is this show about? What interesting details can you tell us about it?

This show is mainly real life crimes and how forensic investigations are used to solve them.

Who are the main characters? Who was your favorite character and why? What makes them interesting?

The main characters vary from show to show, as each crime is unique. These crimes take place all of the USA.

Does this show remind you of any other type of show you've watched?

This show reminds me of the show Cold Case Files.

Is this show a book-to-TV adaptation? If so, what is the name of the book and author? Have you read the book?

No.

Who would you recommend this show to? What type of person would enjoy this?

I would recommend this show to anyone who enjoys a mystery and has an interest in forensic science..

What are your thoughts on the cover? Do you think the cover fits what the story is about?

N/A

Any other thoughts about the show?

This show has so many seasons that you will never get bored! It is usually on cable T.V. You won't have to search too far to find this show.
