

TWINNING PARTICIPATION FORM for INTERNATIONAL PARTNERS

Twinning is a response to Pope Francis's call to create a "culture of encounter." With Holy Cross priests and brothers ministering to communities around the world, the [Twinning Program](#) invites residence halls, student organizations, parishes, and schools in the United States to encounter Holy Cross ministries around the world through prayer, fundraising, and encounter opportunities. For more information on the Holy Cross Mission Center's Twinning Program, visit twinning.holycrossusa.org.

DIRECTIONS: In order for the Holy Cross Mission Center (HCMC) to formally introduce your ministry to a potential U.S. partner, please download and complete Parts I and II of this Twinning Participation Form. Email the completed form to hcmc@holycrossusa.org for processing.
