

Ensemble Grades: Independent Rehearsal Instructions

For each absence, you may record and submit 1 video of independent rehearsal. Please follow the instructions to ensure a quality rehearsal and gradable recording:

Video Requirements:

- You must be visible and audible at all times in the recording.
 - Suggestion: do a sound check
- Your rehearsal must be completed in a relatively quiet location.
- You must be rehearsing music that we are currently studying in your choir.

Instructions:

1. Make a list of 8 problems you want to fix during your rehearsal.
 - a. Cutoffs, entrances, words, notes, dynamics, etc
2. Do a sound check to make sure the video/audio is working properly
3. Begin your recording by listing the 8 problems you want to fix. This should take no more than 2 minutes
4. Record at least 16 minutes of yourself fixing those problems.
5. End the recording by saying which of the 8 problems were fixed and which weren't. This should take no more than 2 minutes.

How to turn it in:

- Option A (preferred): see me during lunch or before/after school to show me the video. We will scan through it together but we will not watch the whole thing.
- Option B: upload the video and send it to me.
 - Warning: this can take forever to upload.
