1. National Video Exchange Oversight Committee

- a. Composition: The NCAA Division 2 Soccer National Video Exchange Oversight Committee will consist of 16 members. There will be 8 Division 2 Women's Coaches and 8 Division 2 Men's Coaches.

The committee will select a director from among the members by a simple majority vote. (A minimum of nine votes are needed to achieve a majority)

Responsibilities of the director include:

- The director will not vote on enforcement decisions; however, they will break ties in the event that one or more members of the committee recuse themselves due to conflict of interest.
- The director can be changed as the committee sees fit.
- The director organizes committee meetings, communication with the national membership, assigns roles and responsibilities to other committee members as needed, creates agendas, and other leadership roles, as required.
- The director will liaise with the United Soccer Coaches NCAA D2 & D3 Member Services Director in order to determine necessary communication to the broader membership on issues or matters.
- Coordinate communication of the national video exchange policies with the full coaching body.

The term of committee members will be three years. Committee members must be current NCAA Division 2 men's or women's soccer coaches. The oversight committee is a voluntary committee. Committee members may serve multiple terms if they are selected and volunteer to do so.

b. Coaches (all began serving in April 2026)

Name	College	Division	Gender Coached	Email
Alex Fatovic	Northern Michigan University	2	Men	Afatovic@nmu.edu
Gregg Munn	Mars Hill University	2	Men	gmunn@mhu.edu

c. Responsibilities

i. General.

1. Provide a list of current conference coaching leaders to the USC and Spiideo each year. This will allow for clear communication in case of need to resolve issues.
2. Enforcement of issues between non-conference opponents, but only after the involved conferences have attempted to resolve the issue(s) themselves.
3. Enforcement of repeat non-compliance by a specific team that has not been properly addressed by the relevant conference office.
4. Troubleshoot major in-season operational or policy challenges.
5. Off-season review and recommendations of policies for future seasons.

- ii. Meetings. The NVE Committee will meet annually at the USC Convention to review and recommend policy modifications for video exchange and address other matters as required.

2. National Video Exchange Policies

a. Upload.

- i. Specific uploading processes and procedures will be provided by Spiideo on an annual basis.
- ii. Must be completed within 24 hours of the completed home match.
- iii. It is recommended to upload the match on the day of the match to help Spiideo expedite analysis and to aid all utilizing this NVE.
- iv. Uploading video is the responsibility of the home team for all matches.

b. Video Quality.

- i. Clear uniform numbers for tagging.
- ii. Tactical view required, but close enough to see uniform numbers.
- iii. Upload at high quality 1080p resolution. (HD is recommended and preferred however a minimum of 720p is required).
- iv. The better the quality of the film uploaded, the better the quality of the analysis that is available.
- v. All videos must include sound.
- vi. Videos must include the unedited full match and include any overtime periods and penalty kicks. The video must include game kickoff and conclude once both teams exit the field.

c. Camera View (Tactical View).

- i. Side angle of field and as close to midfield as possible.
- ii. Film should be elevated (at least 15 feet high), not from ground level.
- iii. The ball should be in the frame of the video at all times. The view should also be close enough to allow player identification and far enough to allow viewing of both teams (with the exception of goalies) at all times. Goalies should always be in frame during goal scoring opportunities and final-third restarts.
- iv. Spiideo cameras should upload the "Auto-Follow All Players" view. Hudl cameras should upload the "Extra-Wide Tactical Angle." Please contact your Spiideo Representative if you are using a different automated camera system to capture your tactical video and you have questions about the proper camera setting.

- d. Required Matches.
 - i. Tactical view of all regular-season and conference post-season matches. (Pre-season matches are not required to be uploaded.)
 - ii. Video exchange in this NVE program is available for all regular and post-season matches for teams. The NCAA Championship Committee video sharing policies take precedence during the NCAA Championships Tournament.
3. Expectation of Coaches.
- a. As the home team, if you have a video malfunction, weather event, or other quality issue, this must be reported to your most recent opponent, next opponent and your divisional coaching leaders on the NVE Committee before 2:00 p.m. local time the day following the match.
 - b. If you have an issue with an opponent's video, the expectation is that coaches communicate directly with each other before initiating an oversight review. Oversight review will not take place until the aggrieved coach has at least made a good faith attempt to contact the offending coach. If the aggrieved coach is unable to resolve a video issue directly with the offending coach, the following steps will be taken:
 - 1) If the video is a within conference game please keep your conference admin leaders informed.
 - 2) Reach out to the NVE Committee and fully describe the issue.
 - c. Level 1 – NVE Committee representatives are the first step for communication of issues. They will help to arbitrate any disagreement.
 - i. A Spiideo representative will be assigned to each conference. Each season a list of these representatives will be provided by Spiideo to the committee and all coaches.
 - ii. Support responsibilities expected of Spiideo representatives include:
 - 1. Technical platform functionality issues.
 - 2. Camera positioning (Spiideo cameras) troubleshooting.
 - iii. All other issues — including but not limited to timing, upload, video quality standards, and any disputes within the video exchange — are the responsibility of the NVE Committee to manage and resolve. Spiideo support may be contacted solely for platform or camera-related technical troubleshooting.
 - iv. Spiideo will provide updates to the Committee regarding important items as they occur and any time updates are requested by the Committee.
