## ***The Alphonso Esposito, Jr. Scholarship Award***

**Alphonso Esposito, Jr.** was a member of the French River Education Center's Board of Directors for several years. Al served in the army as a parachutist before his honorable discharge, and then enrolled at Worcester State University where he would receive a business administration degree. Al served as the Business Manager and later Assistant to the Superintendent capping off a career for the Oxford Public Schools that spanned more than 40 years. Al always fought for the underdog and had a special spot in his heart for those students who often had more than their fair share of obstacles to overcome. Al recently passed away in 2020 and was dedicated, to the end, to his family and community.

The French River Education Center is pleased to honor Al by offering a **\$1,000 *Scholarship Award*** in his name to **a deserving individual who lives in Oxford (either from Oxford High School or Bay Path)** pursuing a career in the military or post-secondary technical certificate or credential.

- Plan to pursue a post-secondary school, program, credential, or degree; or
- Plan to enter the military services

A completed application with an accompanying essay must be mailed to:
