

Rainmaker *GLORY*

Challenge

You didn't complete the challenge, you failed to become what you said you would be, now, you must ask yourself why.

The Rainmaker title in the copywriting campus is one of the most prestigious, exclusive titles you can acquire, the status that comes with it, the confidence you gain when you hold that title, it's glorious.

You can be part of this elite group, but you must TRY your BEST, day in and day out.

Will you be left in the dust of your brothers and sisters as we scale the mountain together, while you wallow in your feelings and fear? Or will you join the ranks of the most respected students in the campus?

The choice is yours.

Fill this out daily, tag Cole and myself in the #Agoge-Competitions chat.

Desired Outcome for the Day:

- Create plan for email sequence

Planned Tasks to Achieve it:

- Watch email marketing LDC and take notes
- Analyze competitor coaches email strategy
- Create basic outline for 5 part email sequence

End of the Day Reflection:

Another killer day. 2 days in a row which have felt like ones I haven't had before. I have hardly wasted a second and I'm being driven by sheer purpose and vision. I know it isn't just a temporary spike in motivation, because I don't even feel 'tingly' or excited like Professor Andrew says. I just feel like enough is enough at this point.

I only had enough time for 3 GWS but I squeezed in extra non-focused work as I was driving, cooking.. There almost wasn't a second where I wasn't trying to move the needle today.

I am ready to make days like today and yesterday my minimum standard.

The Man/Woman You Are Now vs Who You Want to Be (Keep this the same daily, reminding yourself of who it is you are trying to become) :

- 24 years old with a failed military career with a car that's falling to pieces and only a few grand in the banks
- I am going to become a man who his family can rely on. They don't need to worry about money, and they live amazing lives because of the actions I take today.

Your Reason Why (make this as compelling as possible, keep this the same and pound it into your skull, so you wake up daily with a clear reason) :

- To see the world, find a good girl to have by my side, and fulfill the potential my parents know I have.
- To take financial worry away from my family FOREVER - and to give them amazing life experiences
- To prove those who doubted me wrong
