

HOW TO REGISTER FOR REGION 602

Registration for Fall Season starts on April 1st.

For first time players, you will click on Register Now in the upper right of the website

For returning players, you will click on Login in the upper right of the website

You will then follow the instructions on the screen

Once you register, you will get an email with important dates and what happens next.

We have a meet the team day where the players will meet their coach and teammates. This normally occurs towards the end of July. Please check our website or your email for the exact date.

August 1st is the start of the fall season. Your coach will setup days and times for your practices. The first game varies and can be either the end of August or after Labor Day. Please check our website for this information.

Registration ends sometime in July so we can form teams. This date varies. Check the website for the exact end date. If you register after this date, your player will be put on a waitlist. We will release players from the waitlist as needed to fill teams. There is no guarantee after the registration ends that your player will be put on a team.
