

CORUNNA HIGH SCHOOL ANNOUNCEMENTS

September 17, 2020

Attention All Students: Are you interested in making a difference in the life of a younger Cavalier? If so, please consider mentoring or tutoring this school year. Mrs. Murphy is searching for several students who can volunteer a little bit of their time to help another student out. Please stop by the office for an application.

There will be a virtual zoom meeting on September 29th at 10:00am for any juniors or seniors interested in hearing about more information regarding programs at Douglas J Aveda Institute. There will be a sign up sheet in the guidance office.

Any seniors who have received their acceptance letter to college, please come see Ms. Buckner in the guidance office to get your name added to the congratulatory board outside of the office!

Attention guitar players or anyone interested in learning: We are still going to keep guitar club going but we are going to host it on Zoom. We can use breakout rooms for those wanting to work on things one on one. You will see flyers around the school with a QR code. Scan the code to get into the Zoom meeting. Guitar Club will be live on Zoom every Wednesday and Friday at 3:00pm. If you have any questions, see Michael Wardwell or Mr. Cymbor.

Attention All Seniors: Homecoming voting will take place soon so please let Mrs. Murphy or Mrs. Napier know if you would like to be excluded from the voting via email. Also, please inform them if you would like to have a different name than your PowerSchool name used on the ballot. You must notify them by tomorrow for your request to be honored.

Drama auditions for 9th-12th grade will continue today after school. Please come to auditions today with a prepared monologue to perform!
