

[ABOUT MAGICAL STRING]

String is woven flax or hemp, a thin version of normal rope. Magical string may be found in short lengths or in a ball of string, (a single piece of 50-foot-long string with 1d4 pieces of magical string wound into a ball), from which pieces may be pulled. It may be found entangled in the hair of a monster, forgotten in a corner, or in a carefully guarded treasure room. Magical string cannot be broken or harmed by force, even from magical weapons, but it can be destroyed by any damage-causing spell (such as *fireball*), any dragon breath except gas, and by normal fire.
