Dear Fifth Grade Parents,

Students in Fifth Grade have the fun opportunity to collectively learn how to play the guitar. The **FALL SESSION** of guitar club will meet in the music room on Fridays at 12:10-12:40 (Recess) and will begin on **Friday, September 22, 2023**. Because we have a limited number of guitars for students to use, I have to limit the number of students that can participate. However, if a student has his or her own personal instrument, he or she can participate automatically.

*Because the number of guitars is limited, I will be accepting members on a first come, first serve basis. Thanks for your understanding!

Feel free to reach out with any questions or concerns.
