However, I have never been a music teacher. Also, I change words and take out verses that are not appropriate for a younger audience. ## How Much is that Doggie in the Window by Bob Merrill

### Chorus

How (G) much is that doggie in the (D)window?

The one with the waggledy (G) tail.

How much is that doggie in the (D) window?

I do hope that doggie's for (G) sale.

I (G) must take a trip to Cali (D)fornia,  
 And leave my poor sweetheart a(G)lone.  
 If she has a dog, she won't be (D) lonesome,  
 And the doggie will have a good (G) home.

### Chorus

I (G) read in the papers there are (D) robbers  
 With flashlights that shine in the (G) dark.  
 My love needs a doggie to protect (D) her,  
 And scare them away with one (G) bark.

### Chorus

I (G) don't want a bunny or a (D)kitty.  
 I don't want a parrot that (G) talks.  
 I don't want a bowl of little (D) fishes.  
 You can't take a goldfish for (G) walks.

### Chorus

## Clementine

(C)In a cavern, in a canyon, excavating for a (G7)mine.

Dwelt a miner forty-(C)niner, and his (G7)daughter, Clemen(C)tine.

**Oh, my darling. Oh, my darling, Oh, my darling Clemen(G7)tine.**

**You are lost and gone for(C)ever, dreadful (G7) sorry Clemen(C)tine.**

Light she was, and like a fairy, and her shoes were number (G7)nine.

Herring boxes, without (C)topses, sandals (G7)were for Clemen(C)tine.

**Oh, my darling. Oh, my darling, Oh, my darling Clemen(G7)tine.**

**You are lost and gone for(C)ever, dreadful (G7) sorry Clemen(C)tine.**

Drove the ducklings to the water, every morning, just at (G7)nine.

Hit her foot against a (C)splinter, fell in(G7)to the foaming (C)brine.

**Oh, my darling. Oh, my darling, Oh, my darling Clemen(G7)tine.**

**You are lost and gone for(C)ever, dreadful (G7) sorry Clemen(C)tine.**

**The Middle** Songwriters: James Adkins, Richard Burch, Zachary Lind, Thomas Linton

(D)Hey, don't write yourself off (A)yet.  
 It's only in your head you (G)feel left out or looked down (D)on.  
 (D)Just try your best, try everything you (A)can,  
 and don't you worry what they (G)tell themselves when you're (D)away.

### Chorus

**It just (D)takes some time, little girl in the middle (A)of the ride, everything, everything will (G)be just fine.**  
**Everything, everything will (D)be alright, alright.**

(D)Hey, you know they're all the (A)same. You know you're doing better (G)on your own, so don't buy (D)in.  
 (D)Live right now. Yeah, just be (A)yourself. It doesn't matter if it's (G)good enough for someone (D)else.

### Chorus (twice)

**It just (D)takes some time, little girl in the middle (A)of the ride, everything, everything will (G)be just fine.**  
**Everything, everything will (D)be alright, alright.**

(D)Hey, don't write yourself off (A)yet.  
 It's only in your head you (G)feel left out or looked down (D)on.  
 (D)Just do your best, do everything you (A)can,  
 and don't you worry what the (G)bitter hearts are gonna (D)say.

### Chorus (Twice)

**It just (D)takes some time, little girl in the middle (A)of the ride, everything, everything will (G)be just fine.**

## The Lava Song by Pixar

(C) ---A long, long time ago (G) --there was a volcano  
 (F)---living all alone in the (C)middle of the (G)sea  
 (C)He sat high above his bay (G)watching all the couples play  
 And (F)wishing--- that (C)he had someone, (G)too.  
 (C) ---And from his lava came- (G)this song of hope that he sang  
 out (F)loud --everyday (C) for years and (G)years.

### Chorus

(F)--I have a dream I (C)hope will come true  
 That (G)you're here with me -- and (C)I'm here with you  
 I (F)wish that the earth, sea, the (C)sky up above  
 will (G)send me someone to (C)lava.

(C)Years of singing all alone (G)turned his lava into stone  
 un(F)til---- he was on the (C)brink of extinct(G)tion  
 (C)-But little did he know that (G) living in the sea below  
 a(F)nother --volcano was (C)listening to his (G)song.  
 (C)Everyday she heard his tune- her (G)lava-- grew and grew  
 be(F)cause ---she believed his (C)song was meant for (G)her  
 (C)-Now she was so ready to (G)meet him - above the sea (As)  
 As he (F)sang his song of hope (C)for the last (G)time.

### Chorus

(C)Rising from the sea below (G)stood a lovely volcano  
 (F)-----Looking- all around but (C)she could not see (G) him  
 He (C)tried to sing to let her know that (G)she was not -there alone  
 But (F)with--- no- lava-, his (C)song was all (G)gone  
 He (C)filled the sea with his tears and (G)watched his dreams --disappear  
 As (F)she --remembered what his (C)song meant to (G)her.

### Chorus

(C)Oh they were-- so happy to (G)finally meet above the sea  
 (F)--All together now their (C)lava grew and (G)grew  
 No (C)longer are they all alone, with (G)aloha as their new home  
 And (F)when--- you visit them (C)this is what they (G)sing.  
 (F)I have a dream I (C)hope will come true  
 That (G)you'll grow old with me and (C)I'll grow old with you  
 We (F)thank the earth, sea, the (C) sky, we thank too.  
 (G)I lava (C)you. (Repeat.)

And (D) all you're (A) ever gonna be is (G) mean

(D) Someday (A) I'll be (G) big enough so you can't hurt me

And (D) all you're (A) ever gonna be is (G) mean

Why you gotta be so mean? (DAG)

(D) You, with your (A) switching sides and your (G) wildfire lies and your humiliation

(D) You, have (A) pointed out my (G) flaws again as if I don't already see them

(D) I'll walk with (A) my (A) head down trying to (G) block you out 'cause I'll never impress you

(D) I just (A) wanna feel (G) okay again

(A) I'll bet you got (D) pushed around, (G) somebody made you cold
