TEACH OUT

Call out to something teacher or coach related-either good or bad (Bo and KO rotate each show)

Bo- Rethinking How We Think In Education

831 Down

A rundown on all things 831 for this podcast

1. [PG Officer released for anti-government beliefs](#)
2. Six Big Sur Bridges are going to have their railings replaced, but they won't look as pretty, according to the Monterey Coast Weekly. These bridges – which include the famous Bixby Bridge – have seen their

structures erode to the point where they are in desperate need of repairs. The project will cost \$55 million.

3. Cultural casualty AT&T Pro(Am)?
4. Toyota Research Institute leased out part of the Marina Airport in order to conduct more research on automated cars. They pay \$400 a day when they use the airport.
5. [Energy in Moss Landing](#)
6. No swimming advisory at Stillwater Bay. High level of bacteria detected.
