

Privacy Policy for DualTatya Studio

Effective Date: April 30, 2026

1. Introduction

Welcome to **DualTatya Studio**. We value your privacy and are committed to protecting the data you share with us. This Privacy Policy explains how we handle your information when you use our mobile application.

By using DualTatya Studio, you agree to the terms described in this policy.

2. Information We Collect and Access

To provide the core features of our application, we request access to certain sensitive hardware and data on your device. We only request permissions that are essential for the app's functionality.

- **Camera:** We require access to your device's camera to allow you to record video and capture images directly within the studio interface.
- **Microphone:** We require access to your microphone to record audio for your video content.
- **Storage (Files and Media):** We require access to your device's internal storage to save the videos and photos you create and to allow you to import existing media into the app for editing.

3. Data Privacy and Local Processing

We do not collect, store, or transmit your personal data to external servers.

- **Local Processing:** All video and audio processing happens entirely on your local device.
- **No Data Transmission:** We do not upload your videos, photos, or audio recordings to our servers or any third-party cloud services.
- **Personal Information:** DualTatya Studio does not require you to create an account or provide personal details like your name, email address, or phone number to use the app.

4. Third-Party Services

DualTatya Studio may use standard Google Play Services for app performance monitoring and crash reporting to help us improve the app. These services may collect basic, non-identifiable technical information (such as device model and OS version) as per Google's standard privacy policies.

5. Data Security

Since all data remains on your device, the security of your created content depends on the security of your mobile device. We recommend using standard device security features (like screen locks) to protect your files.

6. Children's Privacy

DualTatya Studio does not knowingly collect any personal information from children. Our app is a creative tool intended for a general audience.

7. Changes to This Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page and updating the "Effective Date" at the top.

8. Contact Us

If you have any questions or suggestions about our Privacy Policy, do not hesitate to contact us at:
