

-Subject: Request for Release

Dear [IBO Name],

I hope this message finds you well. I am writing to express my appreciation for the opportunity to have been part of [Your IBO Name]. However, as I reflect on my time here and my future aspirations within the Arise platform, I find myself in need of a change to further my professional growth.

Over the course of my tenure, I have experienced a lack of communication and guidance, which are crucial for my development and success as an agent. This has led me to seek an environment that offers robust support and fosters teamwork—qualities essential for meeting my professional goals and contributing effectively.

Recently, the Federal Trade Commission (FTC) announced a rule banning non-compete clauses, recognizing the importance of mobility and opportunity for workers. In accordance with this new rule, I kindly request your consideration to release me from my current non-compete agreement. This will enable me to explore new opportunities within the Arise platform that provide the team support and communicative environment I am seeking.

Thank you for understanding my position. I am hopeful for your support as I transition to a setting where I can thrive and maintain the respectful relationship we have shared.

Warm regards,

[Your Name]
