The Famous Mineral STOPS Muscle Spasms Immediately

Ease Muscle Pain in 30-Seconds with This One Mineral

The Lightest Metal On Earth Can Heal Muscle Spasms

He Cured Agonising Aches In Just 7 Days

Body

Hey {firstname},

After years of agonising pain and muscle spasms, John has **FINALLY** found relief with this naturally-occurring mineral.

Every day after a stressful day at work, John would grab a beer, collapse on the couch, and flick on the tv.

He would then be hit with a wave of painful tingling, feeling as though his brain was **alive** and bugs were **crawling** under his skin.

Unable to fathom the pain, John would sit in excruciating pain until it passed an hour later, *exhausted*.

No matter how many doctor appointments John went to, *no one* could help him.

He felt helpless and simply accepted that was how he'd feel for the **rest** of his life.

He constantly researched how to cure muscle spasms, took countless pills and fought every day against the thoughts of it turning into something worse, such as ALS, MS or Parkinson's.

Nothing worked. He felt helpless...

Until John stumbled upon the **SECRET** to eliminate the 4 horsemen of bodily breakdown.

Without popping multiple pills or injecting himself with drugs...

All John needs is 90-seconds **PER DAY** to relieve...

1. Low energy
2. Calcification of joints
3. Toxicity build-up in muscles
4. Sleep deprivation

Believe it or not...

You won't need drastically change your lifestyle to experience the relief John has found.

He now wakes up full of energy and doesn't suffer from painful muscle spasms when he gets home from work.

You see, **750,000** people worldwide use this naturally-occurring mineral who...

- Feel more balanced
- Gained more ENERGY
- Sleep better
- Alleviated aches & pains
- Experience a REFRESHED body

And you can **TOO!** Some customers have reported elevated moods within seconds, and in as little as 30 seconds, people have reported tension melting out of their joints and muscles.

All with the help of...

EASE Magnesium Spray

Simply spray onto your skin, and in 90-seconds, you'll ease years of excruciating pain.

Magnesium is the second most abundant element inside human cells.

It's found in your bones and is responsible for **OVER** 300 chemical reactions in your body and brain.

When you have depleted magnesium levels, you suffer.

But oral supplements fail to provide the right amount of magnesium needed to function daily without pain.

The **EASE Magnesium Spray** is a clear, odourless, stain-free natural liquid that absorbs in a matter of seconds into the skin to deliver pure, 100% bioavailable magnesium directly to your bloodstream.

With daily use, you'll experience a better quality of life and live pain-free.
