

Remote Working Visa Dubai

Living in Dubai is a unique experience. It is a one-of-a-kind city that provides a luxurious lifestyle with one-of-a-kind architecture and man-made structures. Working remotely in Dubai has become a growing trend and if you are thinking of living in Dubai and working remotely, that is a great idea. If you want to work remotely after going to Dubai, you must apply for a Remote Working Visa Dubai. A Remote Working Visa Dubai allows anyone who wants to do their job remotely to reside in Dubai. It is a great opportunity for all those who want to work remotely and live in Dubai. This visa does not give you the right to work for companies in the United Arab Emirates.

Benefits of Remote Working Visa Dubai

There are multiple benefits to obtaining a Remote Working Visa Dubai. Among them few are

1. It is a one-year visa which allows you to live and work in Dubai.
2. As a remote worker in Dubai, you don't have to pay any income tax, withholding tax, local tax, or capital gain tax. The United Arab Emirates is a Tax-free country, which is also a huge attraction.
3. Healthcare facilities in Dubai are top-notch and you can avail of all of these while working as a remote worker in Dubai. All the healthcare facilities are administered by Dubai Health Authority in both public and private sectors.
4. A fast internet connection is also a huge advantage when you are working in Dubai remotely. The internet speed is fixed at 256 Mbps and the mobile connection is 273 Mbps. There will be almost no issue with your internet in Dubai. This speed is enough for browsing and Zoom calls and meetings on a daily routine. This is also used in heavy streaming as well.
5. You can easily access all the utilities and services in Dubai and can travel from and to Dubai without any restrictions. You don't require any sponsorship from any company in Dubai.
6. You are eligible to sponsor your family members including your children and spouse.
7. Emirates ID will be given to you when you receive your visa. Emirates ID can allow you to access many facilities which include banking, phone lines, and housing rents and you can even have access to all kinds of schools for your children so that they can study.

Eligibility for Remote Working Visa Dubai

People all around the world with any nationality can apply for remote work visas if they can meet the following criteria

1. You should be employed by a company that is not registered in UAE.
2. A proof that you are doing a job remotely like an employment contract or a letter from the employer.

3. Earn a salary of at least 3,500 US dollars per month or equivalent in other currency per month.

Remote Work Visa Dubai Cost

The cost of a remote working visa depends on where you are applying from. It also depends on the extra service you are acquiring or submitting any extra document. If you are applying from any place outside of Dubai the base fees will be around AED 372 including VAT. The application for a Remote Working Visa Dubai can also be made while living in Dubai. The cost of applying for a remote working visa according to government service centers in Dubai AED 1,225, including VAT. These prices may vary depending on the policies of the government so it is advised to check costs before applying.

Application Process

The process for applying for a remote work visa is a bit different and depends on multiple factors which also include whether you need to pay for a visit visa to enter Dubai. If you can get a visa on arrival, then you can directly apply for your remote work visa and residency permit. You can also start the process from abroad and it can be completed upon your arrival in Dubai. You can also start the whole process when you reach Dubai. If you want to make an application from abroad it can be made through the General Directorate of Residency and Foreign Affairs Dubai (GDRFAD). The application can also be made online.

Required Documents

Depending on the method how you are applying for your remote working visa the requirements of your document might also change. You might also be asked to provide an alternative or additional documents after their initial applications. Following are the documents that are important for applying for a Remote working visa. These documents might be required in both soft and hard form.

1. A passport is required which has a validity of at least 6 months at the time of applying.
2. You need to provide proof of employment which might be an appointment letter.
3. Proper proof of salary is also required by the authorities this may include pay slips or other details.
4. Proof that you are employed and working as a proper remote worker for a company.
5. You are required to show the most recent pay slip that you received.
6. A bank statement for the last 6 months is required by the authorities.
7. You need to have proper health insurance coverage in the United Arab Emirates.
8. A colored photo of passport size with a white background is required in the documents when you are applying for a remote working visa.
9. A lease of your house or a rental agreement will also be required to confirm your accommodation.

10. If you are applying as a business owner, you need to submit proof of ownership of your company for one year or longer. You also need to have an income of a minimum of \$5000 per month and a bank statement for the last three months.

This only applies to a main applicant while applying for a remote visa. If you are applying or planning to sponsor your family members, you will need to provide additional documents as required.
