ACCESS INFORMATION

	For one to one meetings • We will agree before to meet online or in person • Somewhere that works for both of us • You can see what the team look like here • Please let us know if you would like us to take notes during the meeting
	For group labs or meetings • We will send information before to let you know what to expect • The vibe is openness • We will facilitate to keep to time but try not to cut anyone off from talking • We will provide refreshments for the time of day (eg snacks, lunch or dinner)

	For bigger events • We acknowledge these can be anxious • The team are always here to help you ease into a space • We will aim to have a quieter space away from the main room if you need a break
	Access Needs • Everyone is welcome in our office and we want you to feel comfortable • Please share any access needs before our meeting • Being in the space as you are or need to be comes as standard • This could include sitting, standing, walking or wearing a mask and clothes you're comfortable in
