

Work Seminar Values Assessment - 10 Pts

Understanding your values will help you find career options that align with who you are as a person.

1. Follow the directions on the link below and complete the Work Values Matcher assessment.

[Work Values Matcher](#)

2. Take a screenshot of your assessment results and paste an image in the space below.

Click on [this link](#) to learn how to take screenshots.

3. [Watch this video](#) to learn how to explore careers related to your values.

4. Explore at least three careers related to the top values from your assessment results. Write one paragraph about what you learned.

5. Write a brief reflection (thoughts, feelings, reactions) about the values ranking and careers you explored. Do you think the ranking was accurate? How interested are you in the careers you explored?

Turn this completed document in on Google Classroom when finished.
