

Complex Ring

Name: _____

1. Describe in detail what you made.
2. Describe in detail how you made this ring.
3. What was your inspiration?
4. Explain how you solved at least five problems (for example, I had to prop up my ring with fire bricks to get it to solder).
5. What was this experience like for you? List one thing that you are proud of and one thing that you would like to try and do differently.
