Introduktion / Introduction

The introduction gives a brief overview over the reviewed thesis' content, results, and contributions from the reviewer's point of view.

Granskning / Critical review

The critical review highlights the strengths and weaknesses of the reviewed thesis.

Nödvändiga uppdateringar / Required changes

Required changes points out issues that need to be resolved in the final version of the thesis.

Rekommenderade uppdateringar / Recommended changes

Recommended changes points out further issues that are less critical, but would help to improve the thesis further.

Always number your proposed changes to make it possible for the author to reference them in their Rejoinder.

Avslutningsvis / Summary

A summary shall be included summarizing the overall impression of the thesis (including brief comments about layout, spelling and language).
