One Act

One Act won the C1-5 District and is heading to State! They will perform this Thursday at 3:45 pm. Their performance will take place at the Johnny Carson Theater in Norfolk.

I had the opportunity to participate in the District 2 AD meeting, where we voted on different policies that they are trying to get pushed through the state. There were quite a few that were taking a look at 8 man football numbers and adding a class in D football. There was a policy about changing the rules of "open gyms" and transfer rules with hardships.
