

MS Word or GoogleDoc: Writing & Citing

1. Open up an MSWord document [*or a GoogleDoc if you have access to the online version of MS Word ONLY*].
 2. Type out a few sentences. (it can be anything)
- From MSWord or GoogleDocs, add a few citations from Zotero into your document
 - Make sure you're using the AMA citation style

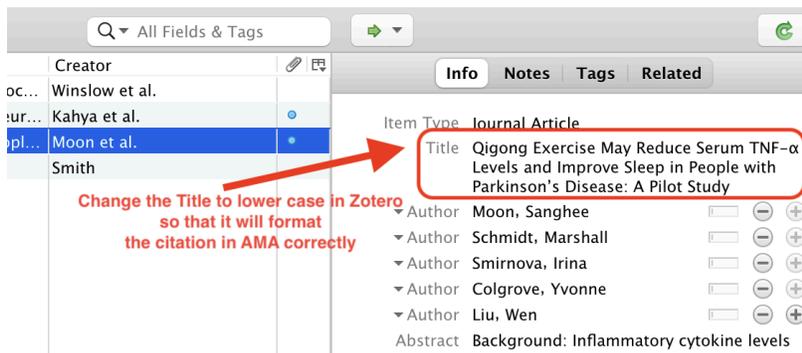

Zotero in MS Word

Zotero in GoogleDocs

- Insert your bibliography!!!!!!
 - Examine your citations.
 - Are there any errors? Y/N
 - If there are errors:
 - 1) Make the changes **in Zotero** (image below)
 - 2) Click “Refresh” in Word to see the changes in your references

Once upon a time
