3. Share with Mrs. Hrin, give her commenting rights and unclick the email function.
4. Type everyone's name at the top of the document.
- 5 or 1. Type the name of the novel at the top of the document
3. Read the instructions to your group
- 1, 2, 4, and 5 follow along as the instructions are read to you.

Name of novel(s)

Names of group members.

Instructions: Using your vocabulary work in your packet, fill in the table below. If the novel mentions places, events, or actual historical figures, you can include these on this list. Write your terms next to your numbers. If there are not five members in your group, fill in those spaces as a group. You may not use the same word as someone else in your group.

Vocabulary and Key Terms Index

Term	Definition or historical reference or geographic location	page number and sentence the term is found in. If you don't have the same book as your group, cite the quote.
