Keep in mind also that one of the best ways to raise funds is to recruit new, paid memberships and local sponsors. Individual memberships are a low \$50 per year (pro rated in some countries) and corporate memberships are available at \$5,000, \$20,000 and \$50,000, a portion of which can be allocated to a chapter and/or project. Local sponsorships can also be allocated directly to your project or chapter. Direct prospective sponsors to the "Donate" button on your chapter or project's wiki page.
