

Chaska Hawks Athletics, Activities & Arts Communi...

Chanhassen Athletics, Activities & Arts Community,

As we prepare for the 2026–27 school year, the Chanhassen High School Athletics & Activities Department is excited to share a few important updates regarding our scheduling, ticketing, and registration systems.

Scheduling & Ticketing

We are pleased to announce our transition to **Bound**, an all-in-one platform designed to streamline scheduling, ticketing, and program management. This move aligns Chanhassen High School with the Metro West Conference and the overwhelming majority of schools across Minnesota, creating a more unified and efficient experience for students, families, and fans.

With Bound, several functions that were previously managed across multiple platforms will now be centralized in one convenient location. Families, students, and supporters will be able to:

- View schedules for athletics, activities, and arts programs
- Purchase event tickets
- Stay informed about upcoming events
- Support your student's team or activity
- Receive the latest Chanhassen Storm news and updates

Parents, guardians, fans, and supporters can access everything through the Bound website or by downloading the Bound app. [Chanhassen High School Bound Homepage](#)

Registration

In addition to our transition to Bound, Affinity, our online registration provider, has upgraded its registration system. As part of this upgrade, **all families will need to create a new user account and connect their student(s) to that new user account** using each student's birthdate and student ID number (available in Campus Portal).

We hope you find the updated registration system easy to use. If you experience any issues during registration, please contact the Chanhassen High School Activities Office at 952-556-3530.

Affinity Registration Resources:

- [Creating User Accounts & Connecting to Students](#)
- [Registering for Activities](#)

Please note: A current sports physical must be on file for any student participating in athletics. If a current physical has not been entered into the system, you will not be able to complete the registration process. Once a physical is entered, it will remain on file for three years and can be used for future athletic registrations until it expires.

Registration for the 2026–27 school year opens Thursday, July 16, 2026. Beginning that day, families may register for any athletics, activities, and fine arts programs offered at Chanhassen High School during the upcoming school year. [Chanhassen High School Registration Page](#)

We look forward to partnering with you and supporting another outstanding year of Chanhassen Storm activities, athletics, and arts! Thank you!
