

Hamilton Assassins

Class of 2023

RULES

- You must be a senior to participate
- By August 1st, 2022, you and your partner (of choice) must submit TWO joint team registration forms (found in the text of this post). It must include payment screenshots for both of you. Pay before registering via Google Docs.

- \$10 per person to @hhsassassins23 on Venmo.
- Both partners must follow the official twitter account @hhsassassin23. (recommended that post notifs remain turned on)
- All partners are final after turning in the registration form.
- You can only use a WATER GUN for kills. No spray bottles, hoses, water bottles, nerf guns, etc.
- YOU CANNOT WEAR A SAFETY ITEM WHILE GETTING A KILL! if a partner is recording they can wear the safety item, but while getting a kill, you cannot have your safety item on you. for example, in round one, you can't have floaties on when getting a kill.
- In order for a kill to count, it must be recorded, posted on twitter (tag @hhsassassin23), the kill needs to be visible, must be clear who is getting the kill and who is getting out.
- Please format tweet as “(your team name) got out (players name) from (players team)

- A team is only out once both partners are hit, they can buy back but only one allowed per player.
- Alliances between teams are allowed, but if broken, the kills remain valid.
- Under no circumstances will refunds be given.
- Causing damage to someone's property is punishable by *disqualification*. Do not block someone's car or parking space-- also results in *disqualification*.
- All kills must be posted within two hours of kill time or else it is no longer valid.
- If a kill is not clear to the game moderators, it will be put up to a vote on twitter.
- You cannot open someone's car door; however, if the door/window is open, you may shoot inside.
- No shooting while working a shift.
- Witnesses do not count. Only videos.
- If two people are killed back to back, the one in the video is the one that will count. The time the video is posted will not be the determiner.
- If your video wasn't clear, take another one. The player is already out either way.
- Garages are someone's property. No stepping foot in it or it's trespassing. You are only allowed on someone's property if someone on the property allows you in.
- AMENDED AUG 5, you may not play assassins at the One Stop Nutrition across from Hamilton, if you go, the manager will trespass you.
- AMENDED AUG 26, any required practices for sports or arts will be safe during purge if it is called on a school day or a day that practice takes place. Touching a player's floaty in an attempt to take it off or move it will make the kill invalid.

Improperly messing with anyone's property will result in disqualification.

- AMENDED JAN 14 If multiple people post getting out the same person, the time posted is not the determiner. whoever the person out says got them gets the kill, unless there is concrete proof to show otherwise
- Do NOT commit any illegal acts such as trespassing on a stranger's property. If 911 is called, you are disqualified.
- Only a partner who is still in the game can hold the water gun and shoot.
- The game will be played battle royale style. Anyone is fair game. Round deadlines will be posted separately.
- NO SHOOTING WHILE DRIVING. NO SHOOTING AT DRIVERS. the vehicle must be in motion to consider driving. if you are stopped in a drive thru and you have your windows down, someone walking can get you out.
- The team with the most kills at the end of each round (excluding the final one) receives a free buy back.
- In no situation can you get out your partner.
- AMENDED AUGUST 3: if you have a dispute and think you unfairly got out, or think someone was unfairly trying to get you out, you MUST comment or dm the twitter with your reason why within 2 hours after the event (or kill) happens

SAFE ITEMS

1. Round one: floaties (poll)

- For a player to be considered safe, they must be visibly wearing one waist floatie

OR at least 1 arm floatie. MUST be INFLATED and WORN ON THE ARM OR

WAIST. if you're holding the floatie and get shot, you are still out.

2. Round two: hawaiian leis WORN AROUND NECK

3. Round three: baby dolls

- Safe items mean you're *safe* while they are ON your person.

PURGE NIGHTS

- During all purge nights, all safe zones and safe items are off, unless stated otherwise.

Nobody is safe.

- Will be announced randomly on twitter, so make sure post notifications are on. Will only last one night (to keep the purge effect) Will end by midnight of the same day called.
- No rules apply EXCEPT : eliminated players cannot shoot. No illegal activities such as trespassing or blocking. All legalities still apply, any police involvement, trespassing, opening players property, etc, still results in disqualification.
- First 2 purge nights while working on the clock is safe, while walking in or out is NOT safe.

REDEMPTION

- If a player is eliminated, they may buy back in for \$15.
 - To buy back in: DM the account (@hhsassassin23) with proof that you paid the \$15 to the Venmo (hhsassassins23), and make sure the memo for the payment is “Buy back”.
 - You *must* buy back in within two days of your elimination or your payment does not count. Same with free buy backs.
- If both team members get out, they can still both buy back in
- Only one buy back per player allowed. (unless given extra buy back from most kills previous round)
- Teams without a kill by the end of the round/mid elimination will be *disqualified*.

- no buy backs once announced by hosts closer to end of game

DISCLAIMER!!!

Please be safe and smart while playing assassins. Remember it is just a game.

Don't do anything illegal. If you argue or fight with the hosts or other players you will be eliminated.

No refunds.
