Plaintiff: u/theelement92bomb

Defense: u/Niviso and u/Physical_Flatworm512

Prosecution: u/legolordxhmx

Status: win

Notes: This was Niviso and flatty's first case as a duo, they completely fucked the prosecution, they defended so well that the judge thanked Niviso and flatty in private for being so fun. This case is our best funny.

Case link: **Plaintiff:** u/TheTelephone

Defense: u/Physical_Flatworm512

Prosecution: u/MathewMurdock, u/Nano-xx

Status: N/A

Notes: This one was flatworm's fault, taking a case like this and just fucking disappearing before the trial even started. However, funnily enough, the prosecution team disappeared as well and the plaintiff had to lawyer for himself. A demotivated u/Niviso decided to forfeit the case for flatty due to flatworm's absence.

Case title: u/SightWithoutEyes vs the mods of /r/AskScienceFiction for unrightful banning.

Plaintiff: u/LibraryLass

Defense: u/Niviso and u/Physical_Flatworm512

Prosecution: u/ThisIsAnAlt0117 then hijacked by his own asshole client.

Status: Win

Notes: Niviso was demoralized, he was about to announce his retirement, he was actually hinting at it, this case made him fall in love with the court again, the sheer amount of hate and disgust he had towards the plaintiff made him get tons of motivation. The egocentric plaintiff fired his attorney middle way through to become his own lawyer. Even with flatty dead (2nd time) he fought the plaintiff so hard that he turned him into the defense, while carrying flatty in his briefcase he defeated the guy greatly. Everyone hates the plaintiff now.

Case title: u/Ohlookadragon, Various users, and r/Guitar v. u/xxFT13xx for fake information in posts; bullshittery.

Plaintiff: u/ohhlookadragon

Defense: u/Niviso and u/Physical_Flatworm512

Prosecution: u/ohhlookadragon

Status: win

Notes: The case process was really fast and efficient, this was also the first case in a long while in which Flatty didn't die. After being told by the judge to avoid sexual satire and getting looked down by a very egocentric u/ohhlookadragon, Niviso and Flatty were extremely mad. They went hard on the prosecution and basically fucked his ass, they won the case easily and showed everyone once again why they are the **best law couple**.
