Dear JAMSA Family,

We are very happy to inform you that we are opening **the call for observers of the 2nd Team of Officials Meeting for the term 2022-2023**, which will be held **in Beirut, Lebanon from the 28th of December 2022 until the 1st of January 2023** in a hybrid format.

Background:

The Team of Officials Meeting is an event where all IFMSA Officials meet and discuss the management of IFMSA in between General Assembly meetings. There are six TOMs throughout the year. TOM2 is the meeting where the officials meet and discuss their work of the first half of the term, preparations related to the March Meeting, and evaluate the progress on their Annual Working Plan and respective Strategic Plans. It also allows them to discuss their collaborations, agree on decisions related to the management of our Federation, and brainstorm together for new initiatives.

This time around TOM2 will be held on the following days:

- **Date to be determined:** online preTOM
- **28th of December 2022:** Arrival day for the TO and Observers
- **29th - 31st of December 2022:** Working days of TOM2
- **1st of January 2023:** Departure day

What is preTOM? An online session of TOM where the necessary information to participate actively in TOM will be shared, as well as the kick-start of some discussions that will be finalized during the working days of TOM.

The decision of allowing observers to attend any TOM is up to the Team of Officials, and we have decided to open the call for observers for TOM2. We aim by having observers to:

1. Ensure that general members are engaged in the discussions of the TO.

2. Ensuring transparency in our Federation, by involving general members in the current situation in IFMSA and the progress in our work.
3. We hope to have a diverse group of observers of different roles in IFMSA to be able to get their different views and collaborate with them on how we can improve different aspects in IFMSA.

Application Process:

If you are interested in attending TOM2, fill in this form ([Link](#)), through which you have to upload your signed and stamped candidature form ([link](#)). Deadline to apply is the **2nd of December at 23:59 GMT.**

Selection Criteria:

1. Motivation for attending the meeting
2. Follow up plan and how you can implement the outcomes of the meeting
3. What can you bring to the meeting with your attendance
4. Experience in IFMSA

Important notes:

Kindly take in consideration the following points when applying:

1. **The in-person attendance will not be a selection criteria.** Since the meeting will be hybrid, observers will be given the possibility **to attend either online or in-person** according to their ability to travel.
However, we will aim to select a diverse group of 3 to 5 members from different regions.
A maximum of 3 observers will be invited to join the meeting in person.
2. The **fees for in person attendees are 120€.**
3. Observers can be asked to leave the meeting room during specific sessions, which will be communicated to them in advance.
4. A contact person from the Executive Board will be assigned to observers. This EB member will organize an introductory meeting with observers and share all the relevant information with them.
