

GOLD RESIDENTIAL PROJECT OUTLINE

Use this Outline as a guide to help you **plan** and also **record** your Gold Residential Project (GRP)

I have:

- ☐ inserted relevant images, maps and links to support my GRP content
- ☐ deleted the information (in italics) in the right column as I completed the Outline
- ☐ saved my completed Outline as a PDF and uploaded to the Online Record Book (ORB) using the following naming convention: *NAME_Gold_Residential_Project_Report*

Gold Residential Project (GRP) Name and Location The GRP must take place in a residential setting that is away from your usual place of residence		
Details of the GRP activity Describe the shared common purpose of the activity (broadening your interests and experience)		
GRP Attendance dates (minimum 4 nights)	Start / /	Finish / /
Who were the others involved with what is this Project? Describe how the others involved in the GRP are/were, in the majority, not your usual companions	<i>Provide as much detail here as you can – it is a very important aspect of the GRP [DELETE this instruction]</i>	
Project goals What goals/outcomes did you set for yourself for this GRP? Why did you choose this GRP?		
Assessor details This should be someone who you worked with / under at the GRP	<i>Ensure that the Assessor Report is easily visible – either via the ORB or as a signed offline Assessor Report [DELETE this instruction]</i>	
Briefing and/or training <i>(if required)</i> Describe any preparations prior to or during the Project so that you could contribute fully to the activity and gain full benefit from the experience		

Description / summary of your GRP activities	<i>Write a general description / summary of your whole Project or break this down into daily descriptions / summaries [DELETE these instructions]</i>
Thoughts / Reflections	<i>Describe if / how you achieved your goal(s), what you learned / gained from the experience, any challenges and difficulties, overall impressions etc... Also consider explaining how the Project provided opportunities for broadening your horizons, challenging your outlook, and / or extending your comfort zone [DELETE these instructions]</i>
Additional information (optional)	<i>You can include further information regarding preparations, photos and experiences (you can also include links to videos, etc...) [DELETE this instruction]</i>
