PRIVACY POLICY

Welcome to Faunae: Dusk Dash! This Privacy Policy explains how we collect, use, and protect your information when you use our mobile application ("App"). We are committed to safeguarding your privacy and ensuring transparency about our practices. Faunae: Dusk Dash uses services provided by Firebase (owned by Google) and GameAnalytics to enhance functionality and user experience.

1. Information We Collect

We collect the following types of information when you use Faunae: Dusk Dash:

Usage Data: We use Firebase Analytics to collect information about how you interact with the App, such as session duration, app opens, and in-app events (e.g., button clicks or feature usage). GameAnalytics collects data specific to gameplay, including levels completed, in-game actions, and session times.

Device Information: Firebase and GameAnalytics may collect details about your device, such as the model, operating system version, unique device identifiers (e.g., Instance IDs or Advertising IDs), and IP address.

Crash Reports: Firebase Crashlytics collects data about app crashes or errors to help us improve stability, including stack traces and device state at the time of the crash.

Other Data: If you enable push notifications via Firebase Cloud Messaging, we may collect tokens or identifiers to deliver messages. Any additional data collection (e.g., user input) depends on how you use the App and will be disclosed if applicable.

We do not collect personally identifiable information (e.g., your name, email, or address) unless you explicitly provide it through the App.

2. How We Use Your Information

The data we collect is used to:

Improve the App's performance, stability, and features.

Analyze usage trends and player behavior to enhance gameplay experiences.

Deliver push notifications (if enabled by you).

Debug and fix issues through crash reporting.

3. Third-Party Services

We rely on the following third-party providers:

Firebase (Google): Provides analytics, crash reporting, and messaging services. Data collected by Firebase is processed according to Google's Privacy Policy (available at policies.google.com/privacy).

GameAnalytics: Tracks gameplay metrics to help us optimize the App. Their data practices are governed by their Privacy Policy (available at gameanalytics.com/privacy).

These providers may use your data for their own purposes, such as improving their services, and may store it on servers outside your country.

4. Data Sharing

We do not sell, trade, or rent your data to third parties. However, data may be shared:

With Firebase and GameAnalytics as described above.

If required by law or to protect our rights, safety, or property.

In the event of a merger, acquisition, or sale of our company, where your data may be transferred as part of the business assets.

5. Your Choices

Analytics Opt-Out: You can disable Firebase Analytics or GameAnalytics tracking within the App's settings (if implemented) or by adjusting your device's advertising ID settings.

Push Notifications: You can opt out of notifications via the App or your device settings.

Data Deletion: Contact us at elephrates@gmail.com to request deletion of your data, though some data may persist with third-party providers per their policies.

6. Data Security

We implement reasonable measures to protect your data from unauthorized access or loss. However, no method of transmission over the internet or electronic storage is 100% secure, and we cannot guarantee absolute security.

7. Children's Privacy

Faunae: Dusk Dash is not intended for children under 13 (or 16 in some regions, per local laws like COPPA or GDPR). We do not knowingly collect data from children. If we learn such data has been collected, we will delete it promptly.

8. International Transfers

Your data may be transferred to and stored in countries outside your own (e.g., the United States), where Firebase and GameAnalytics operate. These countries may have different data protection laws.

9. Changes to This Policy

We may update this Privacy Policy from time to time. Changes will be posted here with an updated "Last Updated" date. Continued use of the App after changes constitutes acceptance of the revised policy.

10. Contact Us

If you have questions or concerns about this Privacy Policy, please reach out to us at:
