

ROCK ORCHESTRA

Do you play violin, viola, cello, or bass? Rock Orchestra is looking for energetic rock stars in 6-8th grade! If you like playing pop, rock, and hip-hop music on your string instrument, this club is for you! In addition to playing fun music, we will also learn some choreography, improvise our own melodies, and use electric instruments to take our rock show to the next level.

We will meet in the orchestra room on Wednesdays from 3:45-4:45 starting January 7th and going through March 11th. There will be no club meeting on February 11th due to Solo/Ensemble. We will even perform live with Mark Wood on Thursday, March 19th at the MHS Performing Arts Center!

To participate, you must enroll using MyPaymentsPlus by **DECEMBER 15th, 2025.**

For more information or questions, please contact the club advisor Kristen Solom at kflak-solom@mcpasd.k12.wi.us or 608-826-7652.

Looking forward to rocking out with you!
