1

*Fr. John, Greg, and Gary decided on Puerto Vallarta for their trip...I am sure no one will try to start any drama while they are away...or will they?!!*

2

Nichlas: I just love playing the piano...Hmmm...I wonder if there has been any thought of putting a piano in the new school building...I wish I could ask Fr. John, Greg, & Gary...but they are off on vacation...I will need to do my own investigative work...

3

Nichlas: Miriam, have you heard if there is going to be a piano in the new school?

Miriam: I wish I knew Nichlas...You should ask around!

Nichlas: Miriam...You're the Best! I will do that!

4

*So Nichlas heads to Francis Hall...trying to find an answer...He notices a couple of students...Maybe they will know!*

5

Nichlas: Hello wonderful students! Hoping you could help me with something?

Caroline & Renee: Sure Mr. Schaal, what's up?!!

6

Nichlas: Well, I know we are opening the new school soon, and I was wondering if there was any plans to have a piano in the new building?

Rene: Uhh...no idea Mr. Schaal...Caroline do you know?

7

Caroline: No idea about a piano...I figured the new school would be decorated with pictures of me...Like this...They would say: "Caroline the Best!"

Nichlas: Uhh...that's not what I was expecting you to say...maybe I will go talk to someone else...

*(Nichlas heads off to the old school building)*

8

Nichlas: Mrs. Olsen, do you know if there will be a piano in the new school building?

Mrs. Olsen: No idea Nichlas. You will need to talk to Gary about that...I am more concerned about storage...Will there be enough storage for the play props? (Since Mrs. Olsen was no help, Nichlas heads to see Sally...The AMAZING Vice-Principal)

9

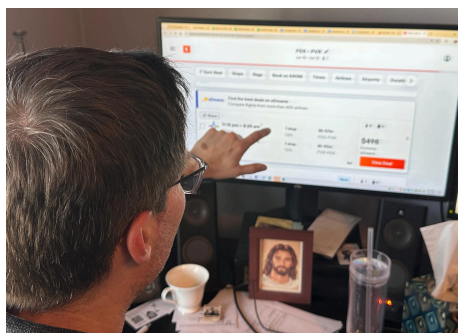

Nichlas: Sally, do you know anything about a piano?

Sally: I have no idea Nichlas...never even thought about a piano...I am just happy that I will have a window in my office...Have you seen my current window? It's a picture frame ACTING like a window.

10

*(Frustrated that everyone has their own "wants" and "needs" Nichlas heads back to the Parish Offices, although he is feeling defeated...He has a plan!)*

11

Nichlas: If no one is going to give me the answers I need, I will have to take matters into my own hands...

12

Nichlas: Gerlinde...Hold my calls...I am off to Puerto Vallarta...I need to talk to Fr. John, Gary, & Greg...

Gerlinde: Sounds great...Hope you don't plan on me playing the piano this weekend for mass...that may be dangerous...

**Will Nichlas get the answers he wants? Stay tuned!**

## Catholic School's Week!
