- **Route 24** (Hampstead Heath-Pimlico) will be withdrawn.
- To replace it, **Route 88** will be diverted at Camden Town to Hampstead Heath via Chalk Farm.
It will also be rerouted in Central London via Mornington Crescent and Tottenham Court Road instead of Albany Street and Oxford Circus, to directly replace the 24.
- To replace Route 88 and the southern section of Route 24, **Route 214** will be diverted at Camden Town to Pimlico. It will run via Albany Street and Oxford Circus via existing Route 88, then to Pimlico via Westminster and Victoria via existing Route 24.
- To replace the northern sections of Routes 88 and 214, **Route 205** will be diverted at Kings Cross to Parliament Hill Fields via Camden. Additionally, it will be withdrawn between Bow Church and Mile End.

- **Route D7** (Poplar, All Saints-Mile End) will be withdrawn.
- To replace it, **Route 277** will be diverted at Mudchute to Poplar, All Saints via Cubitt Town. **Route 135** will replicate Route 277's existing routing to Crossharbour, whilst Route 277 will replace Route 135 on Spindrift Avenue.
- **Route D3** will be diverted at Westferry Circus to Crossharbour via South Quay and Cubitt Town. This will maintain the Cubitt Town-Crossharbour link and reduce overbussing between Canary Wharf and Limehouse.
- To replace Route D3, **Route 100** will be extended from Shadwell to Bethnal Green, Bonner Road via Whitechapel.
- **Route D8** will be rerouted direct from Stratford High Street to Bromley by Bow in the southbound direction instead of via Bow Church. This is to simplify routings.
