Build groups of three to four and create a Max und Moritz-style film, whereby an unsuspecting, mild-mannered fellow is pranked big-time by two misanthropic souls. Your film must be narrated as the action takes place. Use vocabulary compiled from the Max and Moritz texts and write your narration in rhyming verse, akin to the style presented in Wilhelm Busch's classic text. Use language devices such as **Lautmalerei, Stabreim, Assonanz, Gleichklang.** Be creative, but in your Max und Moritz film, don't do anything stupid, dangerous, risky, idiotic, risque, illegal or otherwise offensive.
