[May Pole Lighting—Spots Center Grid]

Our Program begins this evening with the winding of the traditional May Pole. Please welcome the students of Gail Frederick's School of Dance as they wind the Maypole to the tune of "Spring Waltz."

This evening the students of Corbin Primary School will join with the Ossoli Club as we celebrate Eighty Years of Awesome....and what better way to do that, than to revisit the awesome decade of the 80s!!

When you think of the 80s..there are so many iconic movies that come to mind. Top Gun— Annie— ET! Please welcome the students of Angel Curry, Courtney Bowling-Davis, Jenny Foley, Kristi Botner, and Morgan Taylor while they take us back with their dance "MOVIE MADNESS".

The 80s not only gave us great movies and music...but THE COMMERCIALS! The California Raisins, My Buddy, Pepsi Generation! You can thank us later, when these jingles are stuck in your head! Let's go back with the "Solid Gold Dancing first graders of Virgie York, Whitney Cox, Jill White, and Jennifer Powell with— Commercial breaks!

Let's keep rocking through our fun evening with the 80s. Is it even a tribute without some great rock music? Let's join with the students of Emily Scott, Holly Fleenor, Chloe Fogle, and Rachael Jenkins.... and let's see how Kindergarten Will Rock Your World!

We are already reliving the awesome eighties...but now the students of Crystal Stidham, Kim Teague, Michelle Russell, and Misty Dozier will continue to Take us *Back to the 80s* with their dance.

Not only did the 80s have some great rock music, we can't forget the epic country hits from the decade! Welcome to the floor, the kindergarten students of Chelsea Carnes, Angela Disney, Haley Akins, Judy Lewallen, and Ericka McHargue with.....with Here Comes Trouble!

One group for 80's country music just isn't enough. So let's just see how country these third graders are. Say HOWDY to Becky West, Jennifer Faulkner, and Julie Shepherd and their students that are as— Country as Cornbread!

I don't know about you, but a visit back to the 80s would not be complete without the great cartoons that were watched on Saturday morning! Who loved the Care Bears? Inspector Gadget? Teenage Mutant Ninja Turtles?! Oh and Strawberry Shortcake!! Let's revisit these great shows with the first graders of Suzanne Willis, Jessica Epperson, Corey Epperson, Olivia Nantz, and MaryBeth Botner.

Our time back in the awesome eighties is just about over, but we have one more group to send us out of here ROCKING! Please welcome the students of Amber Taylor, Tamra Sams, Tiffany Jordan, and Amber Moody and The Rocking Redhounds!

Shew, I don't know about you, but I think those were some pretty great dances to celebrate 80 years of AWESOME and 80 years of May Day!

We will ask all of our talented performers to remain in their designated places until a parent or guardian arrives to retrieve them. So that teachers can most efficiently release the performers, please enter your child's designated section from above, via the appropriate stairway on the Upper Concourse.

As you dance out of here tonight, we remind you to please drive very carefully, and remember there are lots of little people in the parking lot. Ladies and Gentlemen -- thank you for coming and we will see you next May for May Day 81!!!
