

Sebago School Department

Bus Routes 2025-2026

If you have a concern about your child on the bus, please contact John LaPerriere at Sebago Elementary School directly at 207-888-9331 ext 203. Talking to the driver while students are on the bus, could create a potentially dangerous situation.

Transportation questions for Middle and High School students should also be directed to John LaPerriere at Sebago Elementary School.

Just a reminder, students may not have other students ride from other towns, even if they are SAD #61 students, our insurance only covers residents of Sebago.

****Middle school students wishing to get dropped off at a different stop than what is listed on their transportation sheet, must provide a signed note from a parent/care giver including a telephone number to be reached, if questions arise.**

The times listed below are an estimate and your patience is appreciated.

We may need to adjust as the school year starts. Please understand we are doing everything possible to accommodate all of your transportation needs. Thank you!!!

Note: some students may need to walk to a bus stop at the end of some streets and roads
