Reminders

ALL BOOKS ARE DUE THIS WEEK! Lost books: Our library policy states that lost or damaged books will be assessed fines based on purchase price and replacement cost. Often this seems high because the book was purchased from a supplier specializing in durable bindings for school libraries. Please do not attempt to replace the book yourself. If you are unable to pay for a lost or damaged book, the librarian will discuss other options with you.

A note from Mr. Harris...

On Tuesday, May 19, our 5th-grade students will be participating with all of the 5th-grade students on the south end of the valley in the Wellsville Mile. This long-standing tradition will begin around 10 am as we run around the block of the old Wellsville Elementary school twice. Parents are invited to cheer their students on. There will be 800-900 runners that day. You may have to walk a block or two to find a parking space. It's a super fun event.

On May 22 at 1:45 pm, those students who are graduating from high school this year and who once attended Wellsville Elementary are invited back to our school to walk the halls in caps and gowns. Attached is a poster about this event. If you have a senior this year who would like to participate, make sure they use the QR code on the poster to let us know they are coming.

School will be released at 1:05 pm on Thursday, May 28, and Friday, May 29, the last two days of school. The district is trying to give teachers some time to prepare for moves. Because of boundary, grade, and room changes, there are many moves being made this summer across the district. So, be prepared for those two early out days. School will start a week later than usual as well to make sure our new schools have enough time to get finished. The first day of school will be August 25 for grades 1-5 and September 1 for kindergarten.

Thanks,
Mr. Harris
