

The Friday Note 08/20/26 (Thursday Edition)

Religion

We are working in Genesis Chapters 11 and 12. As we study the accounts of the Tower of Babel and the Call of Abram, we learn that when we give glory to ourselves instead of God, we sin, but God remembers His people with saving grace and mercy. We also learn that God's word of promise came to His people through the prophets, focusing on the Messiah who is the Word in the flesh.

Memory

Memory work is recited to me each Tuesday and Thursday- Your steadfast love, O Lord, extends to the heavens. Psalm 36:5
Thursday- I will bless you...so that you will be a blessing. Genesis 12:2

Reading

We are reading the book *Wonder* by R. J. Palacio. This is a book about a seriously disabled boy and his experiences with the world. It is written by a number of points of view. We will be ready for our first test over part one on Friday. This test will cover vocabulary and comprehension. The kids have a vocabulary sheet that we developed in class. This is what they need to study vocabulary from.

Social Studies

We spent the week learning about the first American civilizations. Next week we are going to dive in deeper as we create a Native American Mini Museum. We will do most of this in class. It is my intention that each exhibit will be due on Friday. That date might change depending on how far we get with the project. Check the daily

English

We have gone over the capitalization and punctuation rules. Next week, we will review pattern one sentences. These are sentences that have a subject noun and verb at their core.

We are also working on handwriting. Even though I don't require cursive writing all the time, it is important that the kids know how to read and write it. I do require that their name always be written in cursive.

Spelling

We will work on List 2 next week. All of the words have long vowel patterns in them. The test will be on Thursday. homework assignment page for updates.

Math

Both classes are off to a good start.
6th grade only- Math quiz on Tuesday

Science

We are learning about Rocks and Minerals. The test for this first chapter will be on Thursday. The kids need to study the vocabulary, workbook pages and worksheets to be ready for the test.

Grade Sheets

I did not send home grade sheets today. I don't really have enough grades for the kids yet. They will go out next Friday.

Dates to Remember

08/27- PTL Meeting
09.08- No School Labor Day
09/13- Kids sing in church at 8:30

School Website

Don't forget, I put our Friday Note and daily classroom assignments on the Trinity website. That site is www.trinityhoffman.org. That is where you are going to know what is going on.

One Last Thing....

You are getting the Friday Note on Thursday this week because I have to be gone tomorrow. I am having a procedure on my foot tomorrow and Mrs. Nolte will be in for me. What a blessing it is to have a great substitute that the kids all know.

Blessings!
