

GROOMING VISIT AGREEMENT

Date: _____

Owner: _____

Patient: _____

I am the owner or the agent for the owner of the animal described above, and I have the authority to execute consent.

To reiterate a section of the *Pima JTED Class Pet Veterinary Clinic Release and Agreement* that I have already signed for this school year; I understand the following:

In order to create a positive and enjoyable experience for your pet, our dedicated staff, and students in the Veterinary Assistant Program, we are unable to offer veterinary or grooming services for pets with a history of aggression toward people, including biting or nipping. We appreciate your understanding as we prioritize the safety and well-being of everyone involved.

Grooming: *For the safety of the animal and the student, it is asked that you do not interrupt the student during grooming services. Interruptions may cause the animal to move in a way that may cause an accident. Pima JTED has the right to refuse services, stop a service, or cancel a service at any time before, during, or after grooming.*

Our DVM will not be on the premises during grooming appointments.

I hereby acknowledge that the veterinary science students at Pima JTED are receiving ongoing training in Veterinary Sciences. For this reason, all services will be performed by students under the supervision of instructors/lab assistants and at a considerable price reduction, a donation or at no cost at all. I understand I must accept the student(s) assigned to me and my pet and remain patient for whatever length of time is necessary to perform the services. I will accept the decision of the instructor regarding the final determination of the service my pet will receive. This includes authorizing Pima JTED to seek medical treatment to the nearest veterinarian in case of emergency, at the owner's cost.

It is agreed and understood that I will in no way hold Pima JTED, its staff, instructors, veterinarian, lab assistant, or students liable for any injury or damage that may occur to me, my pet, or my property, as a result of the services I receive. **I also understand that every effort will be made to create a safe and positive experience for my pet.**
