

Movie Notes for:

“Gamera vs Jiger”

1. For reasons unbeknownst to me, we are doing Gamera vs Jiger
2. Starting with Volcano vs Gamera.
3. Gamera theme!
4. He is full of turtle meat!
5. Gamera vs Barugon footage.
6. Gamera vs Gyaos.
7. Gamera vs Viras
8. Gamera vs Guiron is that last of them.
9. Lonely kid stares at the ocean.
10. Hiroshi waiting for sisters date to go to expo
11. Why not have it go down deeper?
12. The sub is for kids but goes too deep.
13. Off to the expo.
14. He forgot a card?
15. Picture of idol on Wester island -- not related to Easter Island...
16. Expo is in Osaka of 1970.
17. Lots of images of the expo exhibits.
18. Monorail?
19. We are getting a big commercial for Expo 70.
20. The mysteries of the statues of Wester Island.
21. Back to the office.
22. A man from Wester Island tells about the curse of the statue.
23. It doesn't sound like he speaks English or Japanese.
24. More legends talking about Mu continent.
25. Even Easter Island statues are part of the mysteries.
26. The devil's whistle will summon Jiger. Now we've heard it.
27. Terrible effect of statue painted in the foreground.
28. Jet propelled helicopters lifting the idol.
29. Pretend you can see it, and not looking at a screen.
30. Gamera appears and the kids know he's a friend.
31. Arm yourselves!
32. You can't trust an animal like that -- we must kill him.
33. Hard landing by Gamera.
34. The statue has a long root.
35. Gamera grabs it by the root.

36. At least they tried with that special effect.
37. Puppet Gamera on one screen and scientist on the other.
38. What is that sound -- the devil's whistle of course.
39. Cue Gamera theme!
40. American kids.
41. Gamera is a friend to all children -- except us.
42. Gamera can't speak to us, but he was trying to tell us something.
43. What does Jiger mean? I wonder...
44. It must mean Rock lobster -- er -- lizard.
45. Meanwhile as Gamera flies around a non-volcanic mountain spewing fire...
46. Another rough landing for Gamera.
47. First the screaming, and then the fighting.
48. Jiger can attract rocks and hurl them.
49. He also has jet propelled gills.
50. Gamera grabs Jiger and pulls him up and drops him.
51. It is as effective as doing it himself.
52. Suddenly, for no reason, Gamera skips across the water.
53. Jiger is playing possum.
54. Ineffectual wrestling moves, followed by fire.
55. Jiger shoots some acupuncture needles at Gamera and jets off on the ocean.
56. Gamera is on his back, so he is trapped.
57. The curse is active. The crew of the boat are all ill.
58. Perhaps they should have checked for radioactivity.
59. The doctor thinks it is a curse -- then takes a drink.
60. Maybe get the crew off the ship.
61. That is quite the accent on that barge worker.
62. Along comes Jiger...
63. Kaiju hate ships.
64. Jiger destroys 2 ships. Good thing they got the cursed statue off it.
65. Jiger jumped and missed.
66. That is some good parenting there. Where is your son? Who knows?
67. Jiger destroys some terrible models.
68. Monster X -- Jiger is a Mu word.
69. Expo is toast!
70. Gamera is on his back, and cannot retract his legs because of the arrows -- we're doomed.
71. Luckily he can now scoot on his back and gotten a prehensile tail.
72. More terrible models, but there are tanks and planes attacking.
73. Nose darts!
74. And a melt ray. This monster has everything!
75. Dad believes in Gamera, but doesn't know he is trapped on Wester Island.
76. We just had to watch him pull out those arrows...
77. Gamera theme as he flies off to Japan.

78. Stock emergency footage.
79. Jiger is doing quite a job of destroying a fake city.
80. Our press base must be evacuated -- super death ray strike -- skeletons!
81. Yay Gamera! The kids are safe -- adults -- not so much.
82. Gamera flies right over Jiger -- slowly.
83. He picks up a chimney and blocks his darts with it.
84. Have some fire Jiger -- right into the refinery.
85. Jiger blows up and comes down right in the spot to launch Gamera.
86. All Gamera fights are tedious.
87. Slam Jiger a few times.
88. Gets pulled by suction and stung by his tail.
89. Vulcan green blood comes out.
90. Gamera is injured and walks to the sea -- unopposed.
91. There must be poison on that stinger.
92. Lets watch all 20 minutes of Gamera walking slowly to the sea.
93. Oh the agony -- we feel it, perhaps Gamera does too.
94. At last he made it, but is he going in?
95. Gamera is using some kind of sea magic to heal the wound.
96. Gamera is turning albino or something.
97. Gamera is dead -- Jiger wins -- we're all dead.
98. She did not even see, and she thinks Gamera is dead.
99. Yelling you're not dead always works right?
100. Expo will be canceled with Jiger on the loose.
101. Dr. Suzuki -- what can we do?
102. Lets let these kids go wherever they want.
103. Why hasn't anyone thought about taking the statue back?
104. The kids know it all -- they have studied the Mu.
105. Rested and ready to rock.
106. Using 'suction' he tosses the idol into the sea.
107. Check Gamera and he will be able to beat Jiger.
108. Xraying Gamera will help.
109. Gamera looks like a turtle in XRay.
110. We are going to wait to give you a history of my work.
111. How can we get in a large creature? Like crawl inside him.
112. The kids want to see Gamera's x rays.
113. We are going to distract you, so we can steal the sub.
114. Maybe get into the sub?
115. Girl, run 20 miles while we watch.
116. Toy boat -- toy boat -- toy boat.
117. We are going to go all innerspace on Gamera.
118. They may get themselves killed, but we cannot blame them.
119. That isn't a tonsil -- it's the uvula.
120. Kids know everything.

121. They are heading to the stomach! Danger!
122. Now they are entering the lung.
123. Shallow water -- but there is air. It smells funny.
124. Gamera's insides look just like a strange set.
125. We are looking for something strange -- not like it isn't all strange.
126. Baby has hatched inside Gamera's lung. Now there are two.
127. Kids are in danger -- Gamera wakes up.
128. Make Gamera sneeze and you all go out!
129. That radio hurts the monster something fierce.
130. Now we know how to defeat the monster -- with static!
131. Dramatic death!
132. We don't even need the divers!
133. We can use computers to determine the right frequency.
134. Build a stereo system!
135. Give Gamera a shock to bring him back!
136. Jiger snores. We got the low frequency googlaphonic stereo going!
137. No reaction. Crank it up!
138. Rock and roll!
139. 3 2 1 shock!
140. Turn on the power -- but what about the stereo?
141. Juice him up!
142. We got to have more power -- boom out go the lights!
143. The stereo is off, and Jiger lives to fight again.
144. Suddenly, Gamera is back to normal!
145. Now how about some more tedious fighting!
146. The nose darts are less accurate now.
147. Heat ray -- cooks Gamera.
148. I can't hear you, there is a telephone pole in my ear!
149. Yet the kids still yell at him.
150. Eat fire Monster X!
151. How about a little clubbing there tail boy!
152. Drop Jiger on his head!
153. Jiger was planted, and Gamera ran off.
154. There is the whistle!
155. Pied piper action!
156. Jiger keeps going after the whistle, but missing.
157. Why doesn't he just run away?
158. Eat whistle X boy!
159. Right in the brain!
160. Gamera saved Expo!
161. Yay! It's over!
