Welcome!

¡Bienvenidos a la clase de español! I am Ms. Severt, or Señorita Severt, and this is my fourth year teaching Spanish. I spent two years teaching in Cincinnati Public Schools in a high school building, and then a K-12 position prior to coming to Reynoldsburg. I am very excited to work with you all and build your proficiency levels in the Spanish language! These courses will focus on building your real-world knowledge of the language, and also exposure to the many unique and beautiful cultures of Spanish speaking countries. Together we will become global citizens, and develop competency in all language skill areas (reading, listening, speaking and writing). I look forward to meeting you soon! ¡Nos vemos pronto!
