St. James Preschool Board Nomination Form 2025

The St. James Preschool Board is a dynamic group of Preschool and Church volunteers whose leadership is essential in creating an environment where our children can thrive. All board members are asked to meet certain expectations, including:

- Attending monthly Board meetings and specially called meetings when urgent needs arise
- Attending Preschool Special Events such as the New Family Playground Playdate, Orientation, Open House, Silent Auction or Parent Social, and the Spring Carnival
- Participating in Board-sponsored efforts such as the Teacher Breakfast and the Faculty/Staff Christmas Luncheon
- Perform the duties associated with their position to the best of their ability and in cooperation with other Board members
- Represent the best interest of the Preschool during all deliberations

If you are interested in self-nominating or peer-nominating for any of the Preschool Board positions, please provide the requested information. If you are peer-nominating, please make sure the individual you are nominating has agreed to be nominated.

Please Note: Not all positions are open each year. Once the upcoming needs of the Board of Directors are determined, a member of the Nominating Committee will contact nominees who we feel may successfully fill those needs.
