

CENTERFOLD FLAVOR LINE REVIEW

By LUCAS "THE GOOK" AND CONNOR "ZEE" ([/U/MIALUVAILUV](#))

Summer - Peach Cobbler w/ Vanilla Drizzle

- Cobbler inhale w/ JUUUICY peach exhale
- 9.5/10

Sammie - Fruit Loops AfterMilk

- Nice fruit loops without overpowering milk or overly rich sweetness
- 8.5/10

Darling - Strawberries n' Cream

- Very good strawberry, mild but sweet cream, tiny throat hit
- 9/10

Bunny - Cinnamon Roll w/ Orange Cream

- Cinnamon roll inhale with paired cinnamon roll and orange exhale, very confusingly good
- 9.5/10

Jinx - Limeade, pure and simple

- Smells like pledge, tastes exactly like limeade+ key lime pie
- 10/10

Sweetheart - Strawberry milk

- Very very powerful milk with notes of strawberry
- 8.5/10

Blondie - Custard w/ Mild Fruits

- Sadly boring plain custard with almost nonexistent other flavor
- 5/10
- Recommended combo for Blondie: Redstone by Mod Fuel ¾ mix, makes it 8.5/10
- "Will steep for 2 weeks to see if flavor improves"

Bombshell - Banana Coconut w/ Other Tropical Fruits

- Strong candied banana w/ light coconut exhale
- 9/10

Lizzy - Lemon Squares w/ Powdered Sugar Topping

- Pastry puff inhale w/ lemon follow, lemon with amazing powdered sugar exhale
- 10/10
