

Part 11 - Joy Comes In The Morning - Sabbath Morning Bible Study

Shane Vaughn ——— First Harvest Ministries International

1 I know we've already read these verses but I want to go back over them real quick to sort of uh lay that Foundation from last week to what we're going to be talking about today uh the day of judgment will begin a whole new era where the inhabitants of the world will learn righteousness let me explain the purpose of the great white Throne judgment real quick the the purpose of the judgment is for the whole world to learn righteousness do you know what all of you are learning every time you hear me preach every time you read your Bible you're learning righteousness what does that mean you're

2 learning the right way to do it it's that simple you're learning the right way the narrow way well you are the first harvest you are learning now what the whole world must learn remember folks every knee is going to bow every tongue I love that word every Everything That means every is going to confess that yahshua is the son of Yahweh and therefore once they confess that that's not the end for them that's the beginning because how many of you in this room has bowed your knee and confessed that Yeshua is the son of Yahweh amen what happened after that you had to learn righteousness right you

3 had to learn how to live your life pleasing to your heavenly father well the whole world's got to learn that before they can learn it they've got to go through what you've been through the Lake of Fire uh the uh Rod of iron um every one of you in this class today have felt the whippings of the Lord have you not amen anybody you're ever suffered knowing it was divine suffering I am okay so we've all had to go through that but you see we went through it willingly we submitted our hearts to Yahweh in the great white Throne judgment era which will last we believe about a hundred years those people

4 are going to learn righteousness now how are they going to learn it they're going to be cast into the Lake of Fire Hallelujah and you've got to come to understand that the Lake of Fire is mentioned nowhere in Torah now keep that in your mind okay you know every Christian sermon is about hell every you know we're going to go and I get it and that's all right and I'm not against talking about you know the the judgment to come but it's nowhere in Torah the Only Hell that Torah teaches us is Hell on Earth that we create in our Rebellion amen if you'll go look at Torah and read Torah it says if you

5 don't do this I'm going to send the the I'm gonna do this I'm gonna do that I'm gonna send uh do you know the Bible say did you know that God said he was going to send hemorrhoids on people because they didn't obey him did you know that so if you get in it you might want to see what's going on no I'm just telling you the Bible says that it calls it in rods but it is the same thing so uh so my point is that sort of a living hell amen and so when you read Torah you read about a hell of an existence that you create from your Rebellion but nowhere in Torah do we read about this Lake of Fire

6 nowhere do we read about this eternal format from a psychotic creator that is going to send you to this boiling belching hell and if you'll go to part one I I teach you in part one where that Doctrine came from the Catholic Church Purgatory was necessary to create income for the Christian church and therefore if you T if you keep people in fear you can keep them in church and uh and so what we're trying to do here I don't want anyone to misunderstand me we don't

we're not preaching that there's not going to be a hell to pay for the choices you make okay
we're not you don't get off you're going

7 to pay a hellish price for the sins in your life but you are not going to be tormented for all eternity to say that about God takes away his Justice which he is known for you cannot torment a living body for as long as Yahweh lives it doesn't even add up two plus two must equal four and that doesn't equal out that's not Justice how many of you know good people now good people are mixed you know they may have accepted Christ as their savior when they was a little child never went back to church after that but they lived a good life they didn't hurt they didn't molest children they lived a good

8 life according to Christianity they're all going to be tormented as long as God lives now folks you've got to get that out of your head here's why if you're not careful you will fear the Lake of Fire that is supposedly coming after you die more than you fear the Lake of Fire right now I just said a mouthful so I'm going to say it again all right your greatest fear needs to be that you're not tormented daily in that Lake of Fire in this life from your Rebellion and so as we study today I want you to keep in mind all of these things so you can follow me where we're going today let's read Elder

9 Revelations 20 and 15 this is the only book of the Bible where you will find the Lake of Fire I mean think about that folks I just want you to comprehend what I just said the Lake of Fire is mentioned nowhere else in the scriptures do you know what that means that means that the Apostle Paul would have known nothing about a lake of fire did you all know that amen do you know the Apostle Peter would have known nothing about it why they studied what Torah the Lake of Fire is not in Torah where did it come from from a vision that is symbolic the majority of John's Visions the vast majority is

10 symbolism the Seven Stars we know that's not Seven Stars the seven candlesticks we know that's not candlesticks it's symbolism and you have to learn that symbolism or else you'll continue to walk in false Doctrine Revelations 20 and 15.

11 and whoever was not found written in the Book of Life was cast into the Lake of Fire all right now there we go Pastor C it says right there whoever was not found written in The Book of Life first of all that's talking about the great white Throne judgment the books will be open and the Book of Life will be open men will be given a hundred years if their name is not written in the Lamb's Book of Life then it then they will be cast into the Lake of Fire for that hundred years you follow me now stay with me why to learn righteousness during that judgment period now we're going to find out more

12 and more today what these references are referring to let's read Daniel chapter 7 verse 10 and let's remind you of where the Lake of Fire is fed from all rivers flow into the sea read Revelation 7 and 10 I believe the Elder a fairy stream issued and came forth from before him thousands thousands ministered to him and Ten Thousand Times Ten Thousand stood before him the Judgment was set so where does I'm sorry go ahead and the books were opened all right so do you see here we are at the Judgment amen now who are these people that's ministering to him the people that's already been in the Lake

13 of Fire Hallelujah that's your first resurrection people that's your first harvest they're at the Judgment why because they just lived through the Thousand-Year Millennial Reign all right now the judgment is set the books are opened and a river of Fire begins to flow forth from the Judgment seat of Christ now why is there a river of fire flowing because everyone that's not found written in the book of life that didn't make it in that first resurrection they are all about to get thrown into that River of fire oh I wish people could hear what I'm telling you today [Music] amen you're all going

14 into the fire read uh Daniel I'm sorry let's go to Deuteronomy 33-2 now remember the books

are opened what is the books that will be open Torah Torah is the books that will be judged by the law will be opened at the great white Throne judgment and what does Moses refer to as the Torah and you may have to read that as the King James version Elder to get the uh the reading I need out of that yes sir Deuteronomy 33 33 and 2.

15 yes sir all right and he said the Lord Yahweh come from Sinai and Rose up from Cedar unto them he shined forth from Mount Paran and he came with ten thousands of saints from his right hand when a fiery law for them there you go the books will be opened did you hear me the books will be open what will be open that fiery law and what will flow forth from that judgment seat the river of fire that comes from that fiery law that will be a place where Believers I'm sorry the unbelievers will be cast into whomongers liars cheaters Rebellion they're all going in you how many of you before you got

16 thrown into the fire was a liar come on now how many of you before you got thrown into the fire was an adulterer fornicator I mean really I'm trying to help you you say brother the Bible says all liars are going to have their part and he started with you you were a liar and you had your part in the Lake of Fire did you not until he took that lime tongue and burned it right out of your mouth Hallelujah all gossipers are going in that Lake of Fire some of you are in it right now you're trying to stop gossiping that fires burning it out of you pity parties are going into the Lake of Fire victim

17 mentalities is going into the Lake of Fire some of them's going right now but for those that their name is not found written in the book they'll go into it at another time so let's put the pieces of this puzzle together no mention of the Lake of Fire in the Torah let's put that together the Torah is referred to as the fiery law Daniel says that when the books are open which is the Torah that that fire will flow forth from those that are not found written in the Book of Life they're not the 104 144 000.

18 that power law will full forth and all liars will have their part in that fire all whomongers all adulterers all Sorcerers all they'll all be in that Lake of Fire and there will they will burn uh I don't see sister Darlene Houston today I hope she's okay I'll keep my eyes for the Saints but anyway that is where we we've got to understand that if you take everything go ahead Elder Baker I didn't see your hand foreign that's okay um you know what you've already got me on edge you made my whole walk with God in what you said already worth it all I've every time and everybody has to do it

19 different but but every time he had to bring me to something he put such a pressure on me if you've ever heard me scream out of Praise You never heard me scream out uh uh letting go of something because he would put a pressure on me a fiery hell yeah so bad that I either had to come to this truth or I just couldn't stand it no more over and over and Decades of this and you just made every single time worth it all Hallelujah and what the what creates pressure Elder Baker fire it was just it was just an example when I um come to the baptism of Jesus Christ 30 years ago yeah I didn't do it and

20 there was a pressure on me and I told God I said I need two seconds of Peace over this you and you know what he just put more on me he just put more on me he just he wouldn't give up he wouldn't let me go he kept he kept pushing and kept pressing and kept smashing me down that when I would finally come and say absolutely this is it it was with the mightiest screams I've ever screamed out of me I I just so the mightiness of the praise was amazing but to let it go mom a word over the fiery truth there's got to be power Hallelujah and Elder Baker one of the Apostles said they get not strange

21 concerning the fiery trial of your faith and that because when it when he's done with that I believe the scripture says it will produce a weight of value in you that you didn't have before and every one of us are experiencing that pressure that that you're speaking about because what

happens when we hear truth we've got two choices we can reject it or we can accept it but I promise you if you reject it it's going to torment you night and day you'll be tormented from the time you wake up to the time you go to bed and even while you're sleeping tormenting that fire burning amen amen amen sister

22 Tony go right ahead well Pastor you know last night I experienced that and you said it was nothing but for me it was the pressure I couldn't stand it no longer I would have not been able to go to sleep but that was the best five minutes I ever spoke and I'm telling you what I had such Freedom last night I snored I love it baby that's good hallelujah thank you Pastor thank you so much you're welcome brother Gina Lawless read the uh Elder Morgan read that scripture brother Geno just posted first Peter 4 and 12.

23 go ahead sister Nicole pastor I'm sure like others that this message of Truth and knowing that we're not being tormented day and night and that even if we're going through the Lake of Fire and we go through what we're going through now this is such a bigger benefit obviously it's oh yes the fact is is to think how many of us well speaking for myself have come out of a doomsday cult you know yeah and everything was they pressure you through the message of hell that you're going to suffer eternally in the Lake of Fire and the end of the world and that's how they would keep people with their like

24 a thumb on them that's right keep you tied down to that message because if you left they would say they would tell you know how it is I don't have to go over and Nicole that's what that's why when people call us a cult I laugh because I'm one of the only preachers that Don't Preach fear in other words we don't even believe in that fear we have a Godly fear but but not a doomsday fear you know because I've been where you are I know I've I lived in that you know my my whole life uh you know that I serve the Lord I was Nicole I was more afraid of the Lake of Fire than the right now fire and and

25 if I would have embraced the right now fire I would never have to worry about that Lake of Fire right amen like the other night when I had finally I had contacted the pastor and I didn't even wait the person that was my previous Pastor I specifically went to him and told him basically at this point you want to argue keeping Sabbath from some sun up to sun up I said it's a moot point when you're worshiping not only one false god but two false deities I said so you want to tell me me worshiping from Sundown to sundown I said you don't have a leg to stand on at this point you need to get out of

26 this message you worship two false gods and maybe somebody people disagree because they say that I don't owe him anything no I didn't but I feel as a pastor he needs to be accountable because he's been doing this for the majority of his life and leading people into that message of hell right people anyhow I agree I agree um you know you've done all you can now just leave it to the Lord and don't worry about it you know brother Dale oh my gosh it is so awesome hallelujah how one scripture properly interpreted will open up another and I mean like Revelation 15 .

27 it says and I saw it there was a sea of glass mingled with fire yeah and those who had prevailed over the Beast and his likeness so the fire overcomes and when you add that with Revelation 79 or 7 9 that talks about seeing a multitude of people two vast accounts standing Before the Throne clothed in white yeah that they're all gonna die but the truth is they're all going to stand before the throne and joy comes in the morning brother Joy comes and let's talk about that Crystal sea you just talked about or that sea of glass what creates glass fire Hallelujah okay brothers and sisters that sea

28 of glass is a people that have been purified like glass in other words they have nothing hidden in them they are transparent they are pure they are resplendent they were burned up in the fire amen amen again Pastor there we go I don't know why it's freezing so bad there we go

um I'll come right back go ahead uh evangelist Pastor you said last night in the sermon that when the angel came to you when you were going through your abuse he told you and he anointed you with the oil you said that you'll understand later yes when um when I was six years old I was burned in a fire a third degree burns

29 on 30 of my body and I end up in the hospital for seven weeks and um at that time I had a visitation and I didn't know what any of it meant but I know now through through my TR through my travels and through even what this last two years I've done through this ministry that Yahweh was using that even even that physical fire yes told me where what I was coming to in my life too yeah to refine out the things and to choose life which is in the Torah which is what I've always stuck with me for the last 15 years is choose life and don't choose death and I and I think that is the the big difference

30 for most people they think that hell is a real place that they're going to but when they choose death and they choose to be out of the will of Yahweh and in sin they're in hell but when they choose life they can live it abundantly like Yeshua said and not just riches but live it abundantly in the spirit and amen his will so just praise I just pray amen for what what you're what you're bringing to everybody because it's so important for us to know that because I did fear hell for a long time not going you you know thinking hey and then also as an evangelist I went out on the street and I had

31 that said I'm a firefighter I'm trying to save you from the Flames of hell I know I know I know I did it all evangelist we've all been through that and you know Yahweh saw our hearts he he sees our intent but now we're trying to save people from the flames and the fire of right now Hell by teaching them obedience amen amen praise the Lord you know the Lord will turn the fire down you want the fire to go down in your life you wanted to go down walking obedience amen just Hallelujah you can turn the fire down praise yah sister Jill saidokin we do have a lot more to go over today let's go right

32 ahead yeah I just wanted to say that we're counted uh uh as grains as sand and sand is what makes sense that's correct but but that sand has to be what he did that's right it all works in that sea of glass just like you know the Book of Revelation says in the millennial Reign there'll be no more sea Brothers there will be a beautiful ocean out there okay it's speaking the Bible said the wicked are like a what a troubled sea there'll be no more wickedness everything will be at peace like a Crystal River have you ever looked out over a calm lake where there's no ripples on the water what does it

33 look like a sea of glass it's calm it's peaceful all of the wickedness will be burned out and it'll be a sea of glass amen praise the Lord sister Meadows hello I just have a really I just want to see if I'm trying to see if I'm seeing this right so we're going through the fiery furnace now yes ma'am in the millennial rain that group of people will be going north then there will be another group and then the people that are dead in the grave will be raised up yeah the fiery judgment yes ma'am and do you know why sister Aaron let me explain why to everybody when Yahweh created Lucifer I taught

34 y'all this a hundred times but I'll go a hundred and one times he created Lucifer and all of the original Elohim who am I talking about angel angels the Angels the sons of Yahweh they were created in reverse okay they were created with eternal life they were given immortality as a gift from their father Angels cannot die I'll prove that later in today's lesson so these angels the only thing that Yahweh even Yahweh cannot create is what well y'all have been listening for the last three years I love it character the only thing that can create character is the tool of time okay that's it that's

35 why Yahweh created time and inserted it in eternity okay because now Lucifer does not get the privilege of dying death is a privilege trust me death is a privilege for those that are in

Rebellion to Yahweh it's it's Mercy the wages of sin is death in other words but Satan doesn't get that privilege therefore he was never tried in the fire and you had a mutiny in heaven you can rest assured your heavenly father will never ever ever allow the first smell of rebellion not the first smell of it why he's been there he's done that do you think he's going to have an Elohim that's already rebelled and

36 then take all of you into an eternal Kingdom and give you eternal life with a smidgen of rebellion in you amen come on now Saint the fire is to try your faith rebed Elder Morgan I believe it's first Peter yes sir and can I add that next verse to that as well but I think it's yeah but first Peter 4 and 12 says beloved think it not strange concerning the fiery trial which is to try you as though some strange thing happened unto you and 13 says but rejoice in as much as ye are partakers of Christ's sufferings that when his glory shall be revealed oh yeah glad also with exceeding joy and that Joy

37 comes in the morning Hallelujah that word says we are partakers of Christ's sufferings is the mystery because Christ is in US yes sir absolutely and therefore he had to be burned up in the fire do you know the Bible refers to Yeshua as a Firebrand plucked out of the fire did you all know that why because he was tried in the fire but I love what it says but be exceedingly glad because if you're being tried right now and your neighbors not there's a reason be exceedingly glad God's gonna listen Frank Saints yahweh's going to get he's going to make you cast your crown down some way somehow you

38 cannot be Queen Aaron you can't be Queen Cali when I hear all these women talking about I'm a queen first of all I no you know if you want to see what a queen looks like she don't have to brag about being a queen look at Queen Elizabeth she never had to brag she was a queen she just served true Queens don't announce their Kingdom all right a true Queen is a servant a true Pastor is a servant when you yeah I told y'all the story last night of what my grandmother told me when I preached one time I used to be a young preacher young whippersnapper and I learned how to preach but I had to learn how

39 to suffer I had to learn how to serve I had to learn to become as nothing my talents had to mean nothing I had to go down so that he could come up and and so tonight or today rather the father listened to me brother anequate the father is going to Barn you until Joseph has is so dead he don't even have the smell of smoke on him anymore amen amen amen amen he's going to get you sister Jan to take your crown off and cast it at his feet whatever we have to do we've got to be willing to give up what crown you thought you were a self-made man a self-made woman you thought that you were in control

40 you've got to give it up and the father will burn you until that crown falls off amen all right we've got a lot more to get to praise Yahweh thank you Father let's go and let's talk about why the Christian church in my opinion is so messed up on the subject of hell pull my screen up for you how do good people by the way every Christian I know of not everyone but the vast majority all good people they love the Lord Jesus Christ we are not putting down on people we are putting down on systems that have bound those people and that's what our anger is towards Babylon not to those stuck in Babylon

41 always remember that we're not mad at nobody we're mad at Satan for taking and blinding the people and we are trying to get them unblinded so how did they how do they mess it up so bad about hell I'm going to explain it right now I'm gonna break it down for you there is one Hebrew word and three Greek words which have all been translated into the word hell and that's where the misunderstanding comes in in the King James of the Queen James version of the Bible in the Hebrew every time you see the word hell it's the Hebrew word shale which simply means the place of the Dead all right but when we

42 get in the New Testament there are three Greek words and all three Greek words are

translated hell and they should not be this is where the confusion comes in gehana carteru and Hades all right those three Greek words is what we're going to learn today gehana Tartarus and Hades so you have three words that all mean something totally different and yet they're all translated as the word hell and if you don't know this every time you're reading your Bible and you see the word hell as a student you have a duty now to find out which word was translated into that specific word hell so today unlearn

43 the lies and learn the truth the word hell automatically in your mind means the Lake of Fire it means the place where we all go when we die and yet only one of those three words have anything to do with the afterlife okay all right so we're going to learn more as we go along today um let me give you an example in Old English they use the word hell in a different way in Old English they would say we're going to hell the potatoes what did that mean we're going to hide we're going to hide and put it in a dark place because from what I understand you want your potatoes to be in a dark place so in

44 Old English they would hell the potatoes also in Old English if a couple was courting and they wanted to kiss on one another and neck one another without being seen they would find a hell that was Old English they for it's over probably wind up doing something send them to hell but anyway that they they they want they would hell themselves which means hide themselves okay because they didn't want everybody to see them neck and you know y'all used to go to the movie theaters Drive in the back seat that was your hell that literally for some folks but they would hell that was called a hell it was

45 a hiding place so you need to know how these words were used some of y'all just went back to the movie theaters when I said that remembering some stuff hallelujah praise the Lord back in the old drive-throughs Hallelujah he didn't leave me the way he found me Hallelujah praise y'all Oh Say It Ain't So Hallelujah not sister Justina Say It Ain't So hallelujah praise the Lord no I'm kidding all right let's read Revelations 1.

46 17-18 and I'm going to show you how we misuse the word hell and when I saw him I fell at his feet as dead and he laid his right hand upon me saying unto me fear not I am the first and the last I am he that liveth and was dead and behold I Am Alive forevermore amen and have the keys of hell and of death all right we automatically think that he's referring to he's got the keys to hell the keys to the Lake of Fire the kid no he does not have the keys to the Lake of Fire because there is no such thing all right he has the key to Hell keep that in mind and in a moment I'll explain to you exactly what that means let's see let's go back and pull that up all right let's continue the first thing we're going to talk about uh let's go to Ephesians 4 and 8 through 10.

47 Ephesians 4 and 8 through 10.

48 Ephesians 4 8-10 wherefore he saith when he ascended up on high he led captivity captive and gave gifts unto men now that he ascended what is it but that he also descended first into the lower parts of the Earth he that descended is the same also that us ended up for far above all Heavens that he might fill all things we're gonna we're gonna really mess y'all's teachings y'all's false doctrines up today one of the biggest false doctrines in the Christian church is that yahshua went to hell and preach to people in hell okay first of all it's the biggest lie we're about to kill that lie out of

49 your mind but according to that scripture he did he descended into hell Pastor it says it right there no it don't you think that's what it says because you don't understand the three meanings of the word hell all right so we're going to deal with that false Doctrine here in just a moment so that we can get that out of your mind I want to say before I go any further I believe every word in the Bible about the Lake of Fire I simply do not believe the words of Rome are Babylon or what tradition says about the Lake of Fire so nobody leave here saying I don't believe in the Lake of

Fire I do I just

50 believe what the Bible says about the Lake of Fire and not what the Roman Catholic Church taught me so amen keep that in mind all right let's go now and we'll go to the next slide the first thing we're going to talk about is that first word gehana you're looking at gehana in that picture right there that is gehana that Valley in the Earth outside of Jerusalem just north of Jerusalem is the valley of hinam which is where we get the word gehanam or gehana what was this Valley this is the only thing yahshua ever refers to when he's talking about because there's some folks when I said a while ago

51 the lake of fires only mentioned in the Book of Revelation they were immediately thinking oh no Jesus talked about the Lake of Fire Jesus yahshua talked about gehana not a Lake of Fire under the Earth but in that Valley it was the city dump outside of Jerusalem that never stopped burning the worms never died there because there was always maggots trash for the worms to eat continuously so the worm never died in the valley of hinam it's a Greek transliteration from the Hebrew Valley of Phenom a deep gorge I'm sorry not the north of Jerusalem the southwest of Jerusalem in the Old Testament it's

52 also referred to as the valley of tofit it's important look at that picture that is every time yahshua talked about hell that's what he was talking about gehana how do we know that just go look at where he mentions hell and you'll sign the Greek word gehana this is gehana now when a hundred and eighty five thousand Assyrian soldiers uh read that for me Elder Isaiah 30 31-33 when they were surrounding Jerusalem and they all died during remember that one Angel killed 185 000 Assyrian soldiers their bodies were all piled in the valley of Hanam and what set on fire the fire never went out in the

53 valley of Hanam it burned continuously to handle the dead dead bodies to handle the trash of the city of Jerusalem read that Isaiah 30 31-33 amen for through the voice of the Lord Yahweh shall the Assyrian be beaten down with smoke with a rod and in every place where where the grounded staff Shall Pass which which Yahweh shall lay upon him it shall be with tabret tablets and harps and in battles of shaking will he fight with with it for tofit is ordained of old yeah for the king it is prepared he hath made it deep and large now hold on how fat is prepared for the destruction of these Kings of

54 Assyria what is to fit you're looking at toefete you automatically think in your mind he says that hell has been prepared for these Kings but he says toe fat this is the valley of toefset and it has been prepared to throw their dead bodies into wow you've got to know how to read your Bible finish it up Elder he hath made it deep and large oh Steve Pastor see Pastor he's making hell the Lake of Fire deep and large see ya no no look that Valley is deep and large the picture don't do it justice it's huge keep reading the pile thereof is fire and much wood the breath of the Lord Yahweh like a

55 stream of Brimstone doth Kindle it see brother Vaughn there's hell right there no that's hinam go read chapter 37 verse 36 and it is set on fire because the worm never dies in gehana that never died in the toefset valley it's the worms were always maggots always had dead bodies to live on in that Valley but how many of you how many of you heard it preached in church that when we go to hell the worms and the maggots are going to be eating all of our eyes out I mean come on now Pastor yes thank you for this because um you know we've always felt like like yahshua was saying something they

56 couldn't understand but he was telling he was showing them something that was right there in their physical eyes in their backyard in their backyard yeah yeah he folks yahshua was a teacher he he told them he referred to that Valley of Hanam as the place of death where you are annihilated you are burn up and the worm dies not but do you know how we interpreted that in Pentecost that when you get to Hell the worms Never Gonna Die the worm well I'm sorry if my

body burns up in the Lake of Fire there's nothing for worms to eat on but in the valley of Hanam those dead bodies did just they lived

57 there for decades the worm never died amen read 37 and 36 I'm trying to set you all free today amen and yet I'm putting a bigger burden on you the truth is I'm not taking a burden off of you I'm putting a bigger burden on you why because you got to go to the Lake of Fire you understand I'm actually putting y'all in hell now instead y'all thought y'all was gonna go later but I'm putting you in hell now Hallelujah so don't get it twisted we're not letting you out of hell but what we're doing is we're teaching you how to embrace the fire and I'll show you why you need to embrace that fire in just

58 a moment read Elder then the angel of Yahweh went forth and smote in the camp of the Assyrians a hundred and four score and five thousand and when they arose early in the morning behold they were all dead Corpses one angel 200 000 men were killed by one angel in a matter of minutes you don't think you want to attract angels to your life you don't want Angels fighting for you one Angel killed two hundred thousand men in a matter of moments you might want to get one of those you might want to try one of those Hallelujah they'll destroy all your enemies they'll go before you and destroy your

59 enemies as long as you fear Yahweh now that's powerful you can have one of those you can have one of those angels right there that will fight your enemies for you praise Yahweh all right so they were thrown into tosette or the Valley of the Nam your foes again Pastor okay thank you for letting me know I'm not sure why that's happening amen all right now let's continue and I want to talk more about this Valley of Hanam the valley of gehana was not only filled with garbage refuse and sewage you know people would bring their feces their buckets their their privy Chambers and pour it in the

60 valley of phenom dead bodies that people were trying to dispose of because of crime sickness all went into that Valley City officials occasionally sought to get rid of the garbage and to cover the stench by igniting the refuse on fire but since there was so much garbage and since more was added every day the fire never would die it burned day and night seemingly forever and ever and the smoke of it went up forever and ever this is what came to mind when someone mentioned gay Hana in the New Testament it would bring a sense of horror and disgust because that's what gay Hana looked like night

61 and day do you see that smoke Rising it never went away the smoke of their torment Rose forever continuously it was a place of the undying worm and irresistible fire an abhorrent place for crawling maggots smoldering Heat raced each other to consume the putrifying fare served to them every single day therefore sent gihana was a literal place outside the walls of Jerusalem the word should never have been translated as hell a word that is commonly translated as hell in the New Testament gehana does not refer to a place of burning torture of Torment in the afterlife instead the word gehana refers

62 to a literal place outside the walls of Jerusalem so here's the question students why translate a proper name into the generic word hell amen Elder go ahead close the confusion sister Justina won't say something so uh gehana was bad about a modern day landfill absolutely but but our landfills are hidden right okay in Jerusalem that what right there everybody saw that smoke going up night and day right wow they could smell it in other words it was it was a it was horrible and uh so to take that and say that's referring to hell yeah it is a stretch that we're not allowed to take and so that is

63 where so many people get messed up is they don't understand the three words for hell all right let's continue yahshua uses the history and the imagery of this place to warn his disciples about what can befall them in this life if they do not follow his teachings and take steps to protect themselves and their loved ones from the devastation of sin when Yeshua speaks about

gehana he is not warning about hell in the next life but a hellish existence in this life and we're going to see more about this in future studies when we look in the actual New Testament text where the word gehana is used and

64 I'll get to that next week all right whatever hell might be it is not an eternal garbage dump where God sends humans to rot and Burn For Eternity I want you to notice the words in green it is interesting to note that those who are pictured as going into gehana from the teachings of Christ are never the sinners it's always the make-believers or the Sinners among yahweh's people yahshua when he spoke about gehana is talking about the Pharisees never adopt the Sinners go right ahead sister Meadows oh good morning no but uh I was just going to mention that Gahanna from what I've studied um was a

65 place of human sacrifice to them correct I mean 13 000 years before Christ even came right and uh and that in rabbinical Judaism they actually believed in the possibility of an after death purification and that's where the Catholic Church Purgatory that is so true you see the perversion how it's that's why we call it Christianity there's some truth there you know if you go to Jerusalem now because Aaron uh actually went to school right uh above the valley of gehenna and now oh wow with the soccer field Valley just like we do to dumps now yeah they cover them over with grass and okay so now

66 gehana is a soccer field isn't that interesting um Aaron I'm what years were you in Jerusalem I I've gone twice to live there um let's see it would have been [Music] 20 oh gosh 16 I think okay okay because I was six to say if it was before 2000 I'm surprised you didn't know Sister Ruth her church was right there on Mount Zion so yeah so okay um but yeah that that is interesting I was wondering what was there now so what a waste of or you're right they need all the land they can get that big Valley they can't do nothing with that so they they covered it over and now they're playing soccer so

67 today I'm covering hell over for y'all and we're playing soccer on top of it hallelujah amen now brother Vaughn are you teaching that we shouldn't be fearful that we shouldn't you know there's not going to be consequences I'm teaching you the total opposite I'm teaching you you're getting the consequences even now how many of your lives would it wouldn't have been hell if you would have obeyed the teachings of yahshua all the days of your life how many of you are burnt up in those Flames that you've created amen I have amen I have amen how many of you didn't pray about who to marry before you

68 married him you lived in hell ever since hello you know so you know if you if you'll follow the words of Yeshua let's go read malachia chapter 3.

69 I tell you what let's hang tight uh I think hang tight because I think I'm going to go to that one I think I've got it twice give me one second bear with me while I scroll I thought I had it twice in here I don't no I don't so let's go there now let's go to Malachi chapter 3.

70 verse one through three and let's read about this fire behold I will send my messenger and he shall prepare the way before me and Yahweh whom you see shall suddenly come to his Temple even the messenger of the Covenant whom he Delight in behold he shall come say if Yahweh of hosts but who may abide hold on let's pause right there you have two people in that verse you have two things happening in that verse two people somebody want to tell me who those two people are Elijah there we go Elijah has to come first and then yahshua who is the messenger of the Covenant Moses and and in other words if

71 yahshua is the messenger of the Covenant that means he's the angel of the Covenant what does the word angel mean malach messenger okay yahshua is the Angel of the Covenant before he can come to his Temple which Temple the Third Temple before he comes Elijah is going to come first and do what prepare the temple make the Crooked places straight bring the high places low and what's going to happen when Elijah comes to the Third Temple to prepare it

read the next verse but who may abide the day of his coming and who shall stand when he appeareth for he is like a Refiner's Fire and like Fuller soap

72 yahshua and Elijah are working together to bring a fire into the Third Temple a Lake of Fire into the Third Temple read the next verse and he shall sit as a refiner and purifier of silver and he shall purify the sons of Levi oh hold on hold on the only people oh I'm about to shout now Hallelujah that Yahweh is trying to purify is the priesthood in the temple the sons of Levi which have now been transferred to the Melchizedek order those sons are the only ones the fire is meant for Hallelujah you shall be Kings and What priest unto our God you're the only one that's in the fire I don't know if

73 y'all understand what you just said Hallelujah you're the sons of Levi you are the priesthood that word sons of Levi is a euphemism for the priesthood that's getting ready to rule and Reign and before you can rule and rank he's got to bring a fire to his Temple and clean up the temple and the priesthood with the Lake of Fire Hallelujah thank you Father father keep reading and purge them I love that first part though it said who can abide amen that's now you may understand what it means he that endures to the end who can abide this fire who can abide it who will there be anyone that will

74 welcome it anyone that will love that fire who is going to be left standing in first Harvest Ministries when the fire quits your brother Barn where's everybody going baby the fire Hallelujah but gossip and tongues got caught by the fire whoa Hallelujah don't cry when the Lord burns his church Rejoice the exceeding glad the father sent a fire through our church and maybe you can feel it now just come worship with us hallelujah because the fire is coming and who can abide it who's going to be able to endure it amen I'll take three real quick sister bosta go ahead okay sister Janelle Brown go

75 ahead okay I was just thinking of Matthew 5.

76 let me get the reference um 44.

77 that's the one that says and the stones have been broken but no he who falls on the stone shall be broken but on whosoever it shall fall they will be ground to powder come on now you volitionally can ask for the judgment you can ask for it knowing that God is so good and so thorough you're going to have to go through it anyway yes and if you ask you humble yourself he who humbles himself shall be exalted but if you don't humble yourself guess what you are going to be put onto the stone you would you rather be crushed to find powder and then try to be reformatting into a lovely vessel or

78 would you rather just have a big crack in your vessel that can be mended by Yahweh I prefer in a 1997 I did that prayer I said Lord I want you to judge me I was scared out of my skin to say it but I said but I Trust You Lord and within one month I did go through in that first judgment and I went through the fire I had such a revelation and experience of worship after that it was directly due to my asking for the judgment and him doing it it's not just that you are you are giving us a burden you are giving us freedom Pastor Hallelujah yeah you are to fall on to the Rock instead of it falling on

79 to you amen what a powerful scripture sister Janelle while you was talking I thought about the song I wrote Beautifully Broken and what you just said it it it the song tells me I've been Beautifully Broken yes I've been broken but this was a beautiful Brokenness and all the right places I I didn't break myself I let him break me and that's a beautiful and now I've been repaired by the Masters thy mercy strong hand oh Hallelujah you know when I went to prison the first six months of that I spent my days night and day on the phones trying to get out trying to hire lawyers I wanted to bond out

80 I drove everybody in my family crazy I want it out crying night and day and one day I heard the voice say if you would surrender to what I'm doing in your life Hallelujah if you will give up

cast your crown down quit trying to handle this and just let me break you from that moment sister Janelle when I threw my crown down and I gave up and became Beautifully Broken when I did that a piece came over me for the next two and a half years I was able it's like it you know I don't even sister Janelle I don't even remember my time in that place anymore do you know if I I promise you I can't even

81 remember it because I surrendered to that Lake of Fire I surrendered to that rock oh I fell on the Rock he said that's so beautiful he said if you'll surrender fall on me and I'll quit falling on you hallelujah oh thank you Yahweh how many scores that you can fall on the Rock without it falling on you hallelujah hallelujah [Music] y'all need to jump on that rock hallelujah that is higher than I oh oh hallelujah thank you for surrendering that day yes okay that because I asked God said later do you know how precious it was to me when you asked me to judge you and that you trusted me he said I

82 want my children to ask that I want them to trust me that much and he has continued that it didn't happen just one time no it continues to happen purifying purifying purifying you know I know a family in Michigan that the father threw them into a lake of fire uh concerning a piece of property and and trusting in the Lord and the and and for two years uh they went through what seemed so unfair it seems so why don't God stop this but I watched that family change during that trial I watched a more openness come unto them a more a willingness to move into the newer things of God to open themselves

83 up to what God wanted to do and brothers and sisters your Lake of Fire is your Lake of purification it is your Lake of perfecting it is the greatest thing you'll ever experience in your life amen thank you for sharing sister Brown always wonderful sister Becky oh uh just so that I can understand um it said that the Lake of Fire was for the sons of Levi right correct okay I thought Yahweh divorced from Levi and went to zadok so because zadok was the son of Levi remember he was the only one out of all of Levi that remained faithful so therefore the sons of zadok are still the sons of Levi gotcha

84 amen you're welcome remnant of Levi a remnant of Levi will be purified amen sister Carmen go right ahead Hallelujah sorry I had hit the wrong button okay so um going back to the Keys um as soon as you were mentioning that um the thought that came to me was when the sin came into the world through Adam and Eve and they became hidden and it was like God was talking in regards to because they ate the fruit of Good and Evil uh and they were not supposed to those kids Keys went to you know uh hell but he took them back correct that's correct amen they died that day they disappeared from from

85 existence if you will you know they were they were hidden they went to hell if you will yes ma'am they weren't hidden place so he is restored oh yeah for for them to be hidden he's restoring and make them making them in right standings with him well Romans 8 19 the whole creation is waiting for what the unveiling or the revealing or the manifesting of those sons of Adam Yahweh amen praise God isn't it a wonderful thing when you come to know the whole picture it gets more beautiful every day was that the end of Malachi Elder it was a line left um go ahead read that last line then he would purge

86 them as gold and silver now that they may what that they may offer unto Yahweh an offering in righteousness oh now what did I tell y'all the purpose of the fire was does anybody remember to begin with was to learn what righteous righteousness there it is the sons of Levi notice not the sons of Judah anybody else just the sons of Levi why they have a responsibility in the millennial Reign to offer up a sacrifice of perfection they must be cleansed by that fire before the rest of the world gets thrown into it why because aren't you going to be displayed as trophies of grace before the whole

87 world these are the ones I've purified brother Dale go right ahead man Yahweh Hallelujah is

still on time it is so funny this is the word I got last night while reviewing the calendar with another member of this church because Yahweh has pulled this people out you know what I'm saying they have separated this this Remnant this priesthood and you've said this before but it never resonated with me and then what what was revealed to me last night is I never understood the part where they were handing out the inheritances to the tribes and I'm always like oh well I've already given the Levites

88 their inheritance and I'm like well wait what do you mean it sounds like nothing but responsibility oh Hallelujah that's our inheritance that is our inheritance brother is the responsibility of ruling and reigning and notice all the other tribes serve the tribe of Levi in other words they all the other tribes had to bring their tithes to who the Levites do you see even it looked like they were suffering but they were really ruling and reigning hallelujah hallelujah oh that's good Revelation brother Dale very good your spiritual eyes are opening amen all right that's the meaning of gehana we're

89 done with gehana that's the first word for hell gehana now let's go to the next one the word tartaru let's go read second Peter 2 and 4.

90 and then the book of Jude verse 6. what is tartaru look to that picture and you'll see the word tartaru means prison it does not mean hell it should never have been translated as hell why they did it I'll never know let's read about this meaning of the word hell second Peter 2 and 4.

91 for if Yahweh spared not the angels that sinned but cast them down to Hell and delivered them into chains of Darkness to be reserved unto judgment now where did he deliver these angels to hell that's wrong they're not in hell it's a mistranslation they are in tartaru and it tells you what tartaru is saying because it's such a change right amen what's a prison changed another gross mistranslation so you automatically think that these angels are aware in hell they're not in hell why no one goes to hell without a court date so where did these angels get put until their court date in

92 prison in Chains of invisibility of Darkness now notice what it says in that verse these spirits these Angels were cast down to prison remember that word Spirits read that verse the first line first line for if Yahweh spared not the angels that sinned but cast them down to Hell okay take that word hell out he didn't cast them to hell he cast them into prison prison amen now why because even the angels get a judgment day so why do we send people to hell when the angels are not even there yet they're in prison Bill where do you go waiting for your court date you go to jail not hell come on

93 you're waiting to see the judge these fallen angels are waiting to see the judge who is that judge you Hallelujah did you not know that the Saints will judge the Angels my Lord Saints they're going to be judged by you well how Pastor Bond am I going to judge Angels because you are going to be the great cloud of witnesses that were obedient to Yahweh your life is going to judge their rebellious life now you see what why you're tormented so much by about demon powers because they need you to be rebellious like them so you cannot judge them oh man man man y'all get so much truth here you're doing

94 good really mind-boggling thank you Pastor yeah that that is true Pastor it really doesn't make any sense that we go every time we open the word you have just unlocked something that has been waiting to come into this world for a long long time when these angels go to court do you know the only charge against them sister Meadows is rebellion that's the only charge they have they have been prosecuted they're being prosecuted for Rebellion well sister Meadows if they can turn to you and I and we're going to be there the Bible said do you not know somebody looked at scripture oh man so I have to

95 prove everything and that's all right but you need to sit with your own eyes opener amen you're going to judge the Angels children uh sir one question so being unchanged means they

became invisible at that moment not see that yeah that word chain that word Darkness means obscurio which is obscure or invisible okay so they are they at one time walked Among Us they were visible but their their prison what is their prison their invisibility that is there that what is a prison it restrains you now they can't sleep with the daughters of men why they they're they cannot manifest in the visible realm

96 like the angels of Yahweh still can their prison is their hiding they're no longer so they're in a prison hidden waiting for the Judgment now they can still speak to you they can still influence people's minds but they cannot manifest physically and cross that boundary of making more Nephilim anybody with you know posted Corinthians uh First Corinthians 6 3 is the scripture you're looking forward thank you read that First Corinthians six and three brother Geno Lawless is great with those scriptures know ye not that ye shall judge Angels by blood angels What Angels the ones that are where in

97 prison right now you every one of you are going to judge them by the life you have lived of obedience every time you keep the Sabbath day you're judging those angels every time you show up for the feast you are I didn't say a life of perfection I said a life of obedience okay every time you obey ma'am you obey your husband when you obey your pastor when you obey your leaders when you obey your mom your you are your life is becoming a judgment that you don't have to walk in Rebellion they're only crying is rebellion I pray you won't be charged with the same crime amen go ahead sister Meadows

98 well it just dawned on me that um the the seriousness of us learning this message because we are instructed to rule and Reign and teach those during the millennial reign of this message because these angels will be released yes and they will exempt those that we have instructed so if we have them well it's bad you just brought it full circle these Angels were Bound for a reason these are the bad ones these are the ones that infected the whole world and caused the flood all right that flood was a lake of fire that it was a lake of water okay and it was sent to bring correction those angels if

99 they could still cross over there would be Nephilim all over the Earth they would steal be causing hybrid children unwanted children so now they convince uh humans to commit fornication and have babies out of wedlock and the whole thing's messed up so ladies and gentlemen your life is going to judge those angels for the deal so you're saying though that we're guilty of the same crime as the Angels Rebellion uh I pray I pray that we're walking now in obedience but in times past when we were Gentiles we did didn't know what the scripture says in times past We Were Strangers to the Covenant we

100 were foreigners to the household of Faith which is Faith brings obedience so uh now brother mistakes is not Rebellion the lack of repentance is rebellion and the angels have never repented okay y'all need to know that we're not telling you Perfection we're telling you the lack of confession and repentance is the crime because to this day they think they were in the right for whatever reason mother Keith Moran Pastor um maybe I just confused my own brain a little bit did you once do a teaching on the difference between the Fallen Angels and Demons brother have you ever done a teaching that

101 addressed the difference between Fallen Angels it's called the retire it's called The Return of the Nephilim okay yes sir yes sir all right so tartaru is a prison notice who was cast into that prison angels now someone tell me angels are called ministering what spirits so angels can be referred to as spirits in prison all right keep that in mind because I'm fixing to bust up a bad Doctrine in the church everyone say fallen angels is Spirits in prison his spirit's in prison all right keep that in mind because there's a bad Doctrine in the church and we're going to talk about it now let's talk

102 about the third word Hades Hades is the Greek word that is most often translated as hell

Hades simply means the Unseen the Unseen World the unknown Realm that is what we call hell our English word hell is derived from an Anglo-Saxon word hīlān or Hēlen meaning a cavern anciently denoting a concealed or an unseen place now it is the grave Hades is the grave it's where the dead go now I want to read Matthew 16 and 18 for you are you greeted Elder Matthew 16 and 18 Hades in the Hades is where all of the Dead go to and so read that for me Elder Morgan Matthew 16 and 18.

103 and I say also unto thee that thou art Peter and Upon This Rock I will build my church and the Gates of Hell shall not Prevail against it that is the most misunderstood verse that I've ever heard preached on I say that about all of them I'm sorry but it is one of the most what do you think of when you read that verse up on this rock I'll build my church and the hell shall not Prevail against it Peter first of all has nothing to do with hell Upon This Rock I've given you the keys to the gates of hell this is go ahead this is I'm sorry go ahead scripture that's where the Catholics um get the

104 papacy for the people yes yes ma'am absolutely they actually believe in something called Apostolic succession which means that yes ma'am any Pope that exists is a successor of the Apostles and that they literally have the keys to the kingdom and Hades and all that okay that's exactly right yes ma'am uh so let me explain I had the keys to hell what is it what does a key do it locks or unlocks okay hell in that verse means the grave okay up on this rock yahshua I'm going to build my church and they are the only ones that the grave will never be able to hold in because I have the key to unlock

105 their graves and the gates of the Grave are the stone over the door will not hold them back Hallelujah that's all it means folks Hallelujah what is the Gates of Hell the stone over the door of the Grave is the gates of hell and every one of you in this room have a key to the gate on Your Grave his name is Joshua hallelujah hallelujah Hallelujah this is so beautiful thank you my sister the gates of hell will be that dirt over your grave the gates of the grave or the he said up on this rock what yahshua I'm gonna build my church and only my people will have a key to get out of the grave only my

106 people have the keys to death hell and the grave all of that you've got a key to it if you have Yeshua that is your key out of the Grave when my grandmother went to hell a few months ago the grave she went with a key in her hand already to open her own grave do you understand what I just told you everybody's got a key to your grave Hallelujah who Glory Glory Glory Glory it's the word Hades thank you Pastor you're so welcome when I hear preachers up preaching in the Gates of Hell will prevail against my church and and I'm like you don't even realize what you're talking what you're talking about

107 it's exploded do right now my our brains just exploded Hallelujah that's a wonderful thing everybody in this room has a key to your own grave you're the only ones that do Yahweh will open up the other Graves at the end of the thousand years they won't open it Yahweh will you will open your own grave because Yeshua had he had the key to his grave amen and you've got that key sister Callie go ahead I said you just it's funny because well you know I get this chance but one dream and this is right at 2017 when I started this walk one was I remember it was like um a library and it was full of rocks

108 and this Angel was telling me that one of those rocks was me and then he took me closer when I look on the top we were that it was Diamonds in the Rough in each Diamond represented it um a person that was walk that it was gonna start this walk but he said but you got to go through the fire you got to go through the pressure so it makes sense to me but now it's giving me a lot of language and then in another one I remember this angel I'm not sure if it was demon Angel but it was handing me a key and I asked him to the other day I say what was that key for you never told me I was asking yeah I

109 say what was that key you gave me was for and why you just say a gay language it gave me a definition to what was that key for and it was To My Grave you know my own yeah wow amen there you go that lines up that was from 2017 and today I'm getting the meanings of that um brothers and sisters the word of God will line up with any Dream from God if it's truly oh yeah look here y'all I forgot my wife keeps this right here there's her key she keeps that she looks at it all the time this is the key to death hell and the grave hallelujah amen always look at your key and remember that key now I want

110 to show you something in Ezekiel 28 13.

111 and we're going to go through verse 15.

112 I'm about to reveal to you what the majority of the church does not comprehend it has been a mystery for decades and generations what this phrase Stones a fire meant I want to reveal it to you real quickly if you'll read that Elder thou has been in Eden The God Who are we talking about here we're talking about hashatan Lucifer Satan tell us where he's been has been in the in in Eden the Garden of Yahweh every precious stone was not covering the Sardis the topaz the diamond the barrel the Onyx The Jasper the sapphire the emerald and the the carbuncle and same stones that was in the high priest

113 breastplate go ahead the work the workmanship of thy tablets and of thy pipes were prepared indeed in the day that thou was created Thou Art the anointed cherub that covereth he was the he was one of them that was on top of the Ark of the Covenant those two angels that covered the ark one of them was a representation of Satan himself he was the angel that covered The Mercy Seat well well it sounds like his right hand and his left hand that's exactly what it is uh that was Michael and Satan they are the covering Angels now as long as Satan wore that breastplate of authority something else he

114 was doing that's a mystery to the whole church read and I have set the soul that was upon the holy mountain of Yahweh thou Hast walked up and down in the midst of the stones of fire now hold on nobody's ever understood what that means you've walked in the midst of the stones of fire it simply means you were perfect you were walking in my perfecting fire you were obedient to me you were in the fire you were pure you were holy as you walked on the stones of fire there's some of you today walking on the stones of fire it keeps your feet burned up so that you'll walk in the right way now how do I

115 know that's what it means because in the next verse it says when he quit walking in those stones of fire read that was perfect you were in the stones of fire you were in the fire you were walking in the way but what read from the day that that was created till you walked in that fire but what happened until iniquity was found in thee but you jumped out of the fire and then iniquity was found in you because you caught walking on the straight and narrow sometimes walking on the straight an hour you're gonna feel like you're walking on fire you're gonna feel like everywhere you go you have to

116 lift your feet up that's because God don't want you to get comfortable in your way comfortable in your sin comfortable walking in your own Direction he'll put under the sons of God so you walk softly before Yahweh Hallelujah bless His holy name go search all you want to every commentary nobody knows what those stones of fire mean nobody Yahweh revealed those stones to me and he said that's when he was walking in Perfection he was in the fire thank you listen to me when you quit having fire under your feet is when your walk will grow complacent walk in the stones of fire children the Bible said

117 walk softly before and that's what that's referring to don't run in your own way let your feet always be on fire Hallelujah why do you think we do foot washing because if we wash your feet you're being re-baptized do you understand your whole body is getting re-baptized because it's all in the feet do you understand the feet holds up the whole body so if you've got stones of fire

you're baptizing the whole body and fire you understand hallelujah praise the Lord amen glory glory glory you need to walk on those stones of fire go away let's read Luke 20.

118 36 I'm going to continue to show you some mistranslations so you can know how to read them Matthew 20 and I'm sorry Luke 20 and 36 before we go any further uh read that for me I'm going to show you something about the angels neither can they die anymore for they are for they are equal unto the angels and are the children of Yahweh being the children of the Resurrection all right so the Angels cannot die this is why I'll read the next one the Elder uh Matthew 25 41 this is the only reason Yahweh created a place called hell the other world the dark region is because Angels must be punished he

119 cannot punish them with death they must be tormented to have a righteous judgment all right because those humans can die but these angels cannot read then shall he say also unto them on the left hand depart from me ye cursed into Everlasting fire prepared for the devil and his angels all right the the Everlasting fire was prepared for the devil and his angels the Everlasting torment was prepared for them not humans ever humans cannot burn eternally humans are flesh and blood if I throw you into the fire now you'll be burned up in minutes but there are those that will be cast into a lake of

120 fire or tribulation or burning but it was not prepared for humans it's prepared for the angels that cannot die so if yahweh's plan was for you all to go to hell then why was it only prepared for the devil and his angels because they are Eternal they must be eternal torment is a righteous judgment for them because they are Eternal creatures you are not once again the reason I tell people the most important teaching we have is what happens to the dead because right there if you don't know what happens to the dead you will think that you're going to live forever somewhere that's Christian

121 doctrine you're going to live forever somewhere know you're not or you would already have eternal life you amen so it's all it all goes back to what happens to the Dead everything does amen all right now let's knock another false Doctrine out let's go to um you know there was a verse I missed Elder up here we didn't read Jude verse 6.

122 2 verse 6.

123 Karen KK how many chapters in Jude baby it's a private joke go ahead one night I told her I was up preaching I said give me Jude chapter four and my poor baby is there she come look my baby I see now I'm getting the finger baby I said look she's sitting there flipping trying to find out chapter four amen [Music] read verse six for me and the angels which kept not their first estate but left their own habitation he hath reserved an everlasting chains under Darkness unto the Judgment of the great day all right they've been put under chains until the Judgment that can only mean they're not in

124 hell they're they're waiting for judgment now let's talk about a very misunderstood verse of scripture first Peter 3 and 18 through 22 before you read that let's establish one or two facts let's establish that men are not spirits angels are spirits men are not in tartaru they are in Hades which is the grave fallen angels are in tartaru all right read first Peter 3 and 18 through 22.

125 before you read it let me see a show of hands or maybe wasting your time if I am I won't even go there let me see make sure how many's ever heard that uh yahshua went to the Grave then while he was in the grave he went down to Hell rattled the gates of hell took the keys from the Devil and preach to all of those Old Testament Saints and then brought them all to Heaven anybody ever heard that okay the whole thing is a Lie from the pits of hell and I'm about to prove it to you all right let's go first Peter 3 and 18 through 22.

126 for Christ also hath once suffered for sins the just for the unjust that he might bring us to Yahweh being put to death in the flesh but quickened by the spirit hang tight Paul's right there we have two things in that verse what the first thing he was killed but the last thing is talking

about a resurrection he was quickened by the spirit amen okay let's get our timeline right he was killed and then he was raised up Now read the next verse because according to the Christians before he was resurrected he went down to Hell while he was dead and preached to people David and Moses and all of those

127 people and if that's true then my entire teaching of what happens to the dead is wrong and this is the first scripture everybody goes to to challenge my teaching on what happens to the Dead but bear in mind dead and then resurrected and read the next verse the first two words only by which by which by what now the last thing mentioned in the previous verse by the resurrection not the debt but he was resurrected by that resurrection power what happened read also he went and preached unto the spirits in prison there it is Pastor he went and preached while he was dead to Spirits in prison no he

128 went and preached the spirits in prison after he rose from the dead now why because if he wouldn't arose from the dead there was nothing to preach Hallelujah he was a dead man oh now y'all Follow Me Now he had to have something to brag about he had to have some time to Authority the Bible said he was proven to be the son of Yahweh by the what I'll wait y'all should know that one he was proven to be the son of man by his first birth but it was proven to be the son of Yahweh by the what Resurrection Resurrection so before the resurrection he had no claim to fame do you understand me amen he had

129 no Authority he had no message to preach without the what the resurrection so now after the resurrection he goes and preaches to Spirits number one we found out in Jude six and first Peter wore the spirits are the Fallen Angels the spirits were put in where he did not go preach to men he had a message to deliver to those fallen angels that were in prison what was the message I'll show it to you in just a second it's about to get real good up in here Hallelujah now let's kill that Echo okay the book of Yahweh chapter verse 19.

130 yes it says he preached to those spiritually dead also well they were spiritually dead amen all these all these angels are spiritually dead and they are all in prison now I want you to pay attention real close to what I'm about to show you because this is important for you to get read Elder in Luke 4 43 and then Matthew 28 18. let's read Luke 4 43.

131 and he said unto them I must preach the kingdom of Yahweh to other cities also okay hang tight let's go I want to show y'all something I'm gonna pull up give me one second I want to show you how to study your Bible I'm going to give you a live demonstration let me share my screen all right right here um what is the verse that you just read where they preach the spirits in prison um it's Luke 4 43 yeah Luke 4 40. no no the first Peter 3 1819. okay 3 and 19.

132 all right y'all look at your screen uh let's look at first Peter 3 19 and I'm going to prove to you I tell you what Elder before I do it go ahead and finish reading verse 20 and it's going to prove that this was the fallen angels and not people read which sometimes were disobedient when Once the long-suffering of Yahweh waited in the days of Noah while the art Was preparing we're in few that is eight Souls were saved by water so why did Yahweh send the flood because of these what Fallen Angels these Spirits in prison they were disobedient they left their first estate and crossed over where they shouldn't have crossed over so it these Spirits in prison are the ones that were there before the flood amen okay now let me show you uh well read verse 21 and 22.

133 the light figure were unto even baptism to also now save us not the putting away of the filth of the flesh but the answer of a good conscience towards Yahweh by the resurrection of yahshua the Messiah who has gone into heaven and is on the right hand of Yahweh angels and authorities and Powers all right you wanted to know what he went and preached the spirits in prison he just told you before the resurrection no Spirits were under subjection to him before the resurrection he had no claim to fame read that last verse when he when he came up out of the

Grave he brought a message to these fallen

134 angels that all of you are now subject on to me I have been resurrected and proven to be the son of Yahweh now you are under my control and my authority all authority and Heaven and Earth has now been given to me when you watched their Yahweh now hear me as well because I hold the power no way that's what yahshua preached to those Fallen Angels there's a new short in town I'll stop by to let y'all meet me and I'll be back hallelujah hallelujah why do you think the Bible said those Spirits are so angry they know their time is short how do they know it because he stopped by and let them know he

135 stopped by delivered a message you got two days left and then we're gonna make it all good Hallelujah Hallelujah he preached the spirits in prison not to death people neither get it right Hallelujah Authority through Yeshua only that's why over the demons we were like our over the demons right now our Authority comes through Yeshua and that's why we do it in the name of yahshua amen hallelujah because he now the father he had the only Authority he had when he was on the Earth was whatever the father did for him or gave to him but he inherited all authority and all power over Angels Fallen

136 Angels were now transferred from the authority of Yahweh to the authority of the son boy that's powerful that's powerful I mean it's right there on your screen verse 22.

137 yahshua who has gone into heaven at the right hand of God angels and authorities and all power have been made subject to him now look back at verse 19 and see what he went and preached to him that hey I've got the power if they come and cast you out in my name you gotta go if they kind of deliver people in my name you gotta go if they will call on Monday you got to be healed if you call on Mommy I have a party my name has Authority now Hallelujah that's why the Bible said whatsoever you do in word or deed do it all in the name of Yeshua why because the authority was given to him by Yahweh all

138 of it he is now King of Kings but he had to earn that children before his resurrection he couldn't claim any of that that's right Hallelujah my Lord and my God from Mount Zion did it go preach to no dead people and bring them all to heaven that's impossible the Bible said the only one in heaven right now is the son of man amen that's right the Bible said no man has ascended to Heaven except the son of man which is in heaven oh my so much false Doctrine false teaching now I want to prove to you once more that he wasn't preaching the dead people let's go look at First Peter 3 19 on the screen

139 follow me you see the word preached right there here's the Greek word tereso now any other time that you're preaching the gospel to people I'm going to show you Matthew 28.

140 18.

141 watch this now let's look at the word uh no that's not it either sorry where's that scripture I'm looking for hang tight there's a Luke 4 43 Maybe there we go Luke 4 43 now watch here let's go down to the word preach because here's preaching the gospel to people look at the word totally different evangeliso that's where we get the word evangelist from this is preaching the Good News watch what is this to bring good news Glad Tidings to proclaim the good news but you see Jesus didn't have any good news to preach that day to those Fallen Angels not good news for them so let's let's go back and

142 see what Yeshua preached when he rose from the dead and it wasn't evangeliso it was Caruso right there you see it Caruso let's see what Caruso is nothing to do with good news it is to deliver a message to be a Herald to proclaim a message and I love this one right here this meaning to held as a public crier and watch this with the suggestion of what formality gravity and Authority which must be listened to and obeyed he brought him a message surrender and submit oh yes oh Hallelujah ain't nobody listening to me and it was not the gospel it was a command Surrender Your Authority you are powers

143 over my church you are powerless over my people if you're walking in the stones of fire glorious oh there's power when you call them that name it causes hell to tremble why because he paid them a visit they know who he is there's no more such thing as if thou be the Son of God no no no no no no no no there's no more if you're the Son of God you must prove them to be a Bible resurrection and he stopped my prison to let everybody know Hallelujah my God I'm sorry I feel the power of the Holy Ghost from the top of my head to the soul of my foot you better know the power you have that's why the

144 Bible said do it in my name because if you do it in my name they've already got the message I personally delivered it to him hallelujah hallelujah When you pray for your children in the name of Yeshua When you pray for them in that name you the hell already knows that gotta get a gift because they know the name amen Hallelujah if you're not baptized in the name of Yeshua you was never baptized because there's only power in the name Glory Hallelujah my mama boy you just answered my question that's why I dropped my hand I love it I love it I love it brothers and sisters now I need somebody to

145 tell me how you got that Jesus went and preached the dead people out of that verse amen amen that's why you need a teacher an anointed teacher amenos go right ahead yeah I just wanted to also bring in Colossians uh two okay it says when he had disarmed the rulers and authorities he made a public display of them having triumphed over them in it yes oh y'all she's talking about right after the resurrection by which the power of the Resurrection he made he literally had a parade he literally made a public display that he now had authority over them because at one time at one time they had

146 authority over him because the angels are greater than man and he was just the man but after the resurrection he was more than a man and by the way that's why you're going to brew Satan under your feet shortly because you'll be more than a man and you can stop by that prison and give a good kick into him as well hallelujah amen glory hallelujah oh hallelujah thank God for truth all right let's continue on the subject of hell I'm out of time I'm rushing to get through here we're basically done for the day but I just want to type a few loose ends one of the first things that people try to tell

147 me when I tell them that no one's going to the lake of fire when they die they always go to Lazarus okay because supposedly Lazarus was Lazarus was being tormented in these flames and he looked up and begged for a drop of water but uh funny thing is he didn't beg an angel or God or Yahweh yahshua he begged Abraham when Abraham's Just As Dead As He was all right so here's the deal I don't have time to go there today my body I'm tired I was up to four this morning preparing this lesson uh I'm not going there today but if someone will post the video where I talk on Lazarus once you get through

148 watching that lesson it'll all make sense to you it had nothing to do with the afterlife nothing to do with hell nothing to do with a lake of fire at all okay so if someone will find that video and post it y'all can watch that after the lesson today I'm just not going to go there today um to understand the Lake of Fire let's see give me one second share my screen to understand the Lake of Fire you first got to understand the purpose of Fire okay and you've got to understand how Yahweh looks at fire he loves fire remember when you're talking about he's burning you up there's no such thing as

149 being burned up in a fire nothing ever Burns in a fire it changes it changes from one form to another it never Burns away it it never Burns you cannot burn up anything all fire does is changes something from one form to another form now I'm fixing to talk to you about this Lake of Fire when fire consumes a log in your fireplace it doesn't destroy one element within that log it just changes its form Yahweh loves spire because he loves change the tool of time is all about what change to burn means to change the fire does not burn down a fire always Burns what up

looking for its highest level

150 OSHA when it runs out of stuff to burn it'll quit burning when the Holy Ghost runs out of stuff to burn in your life it'll quit burning darling do you understand it burns up until it gets in your thinking and when you run out of dross when you run out of rebellion you'll run out of fire you gotta feed it yeah fire always burns up why he's trying to get right here it starts as the stones of fire where at your feet you follow me got it the fire starts at your feet and burns all the way up to your thinking you're stinking thinking until it changes it and turns it into another kind of thinking

151 then the fire has done its job oh thank you Father all that it consumes Goes Up In Smoke to exist in a new form and a higher dimension even if you take a pan of water and place it over a fire before long the water's gone but it's not gone is it what did it do it just turned into steam didn't it that's right evaporated a fire don't burn anything it changes the form the fire of what meant to burn you up and what meant to destroy you it was meant to make you when people look at you they're like where are you who are you and where did Alan go amen say oh I left him in the fire Hallelujah I I left

152 him in the fire because uh this new man he didn't leave me the way he found me Hallelujah oh no he didn't leave me the way he found me now let's talk about this fire to burn means to change the change is always upward it's an upward Journey now Barn means combustion to change the form of fire is heat and light the word Brimstone is the same Greek word Theon which means divine isn't that something so let's break it down the fire is divine heat and light that's producing a change amen amen a Divine change a Divine change heat and light heat and light that's producing a Divine change that is what

153 the fire does it produces that Divine change in your children and that's why we welcome it we don't run from it now let's answer the question but now brother Vaughn my Bible says that this is an eternal fire no that's not what your Bible said you thought that's what it said let's go study that for just a moment let's go and Jeremiah 17 27.

154 is the fire eternal brother born I'll read in Revelation where the fire the Eternal fires of hell all right let's read Because 2500 years earlier the Holy Ghost warned the wicked inhabitants of Jerusalem that Yahweh was going to Kindle a fire at their Gates let's read about that Jeremiah 17 27.

155 but if you would not hearken unto me to hallow the Sabbath day and not to Bear a burden even entering in at the Gates of Jerusalem on the Sabbath day then by Kendall a fire and the gates thereof and it shall Devour the places of Jerusalem and it shall not be quenched what did you say the fire shall not be quenched amen there you go Pastor it's Eternal ladies and gentlemen have you been to Jerusalem lately those fires were quenched 2500 years ago the gates are still standing yeah amen I thought the fire could not be quenched how many has ever heard that about hell the fires cannot be quenched

156 so that means it's Eternal fire wrong let me show you what it means God did not mean that the fire would burn forever or for all eternity since it accomplished the work that it was sent to do and since that fire is not burning there today it obviously went out by itself after what accomplishing its purpose unquenchable fires not Eternal fire it's unquenchable until it runs out of stuff to burn it is fire that cannot be put out until it is consumed or changed everything it is possible to change it's unquenchable as long as it's got something to feed on but when it runs out of stuff it quitsburg

157 you want the fire to quit burning in your life quit giving it stuff to burn Hallelujah because the first time you gossip about your brother or sister you just turned the fire up you just you just said you know I've got dross in my mouth I'm sorry I've got Zeke in here I need gold I need a golden tongue I need a Golden's core a golden city streets of gold I need a street of gold a core of gold so when we find dross fire comes back up you want the fire to go out quit feeding it and it will go

out in your life I want to read to you one more verse Jude one in seven dude one in seven even as Sodom

158 and Gomorrah and the cities about them in like manner giving themselves over to fornication and going after strange flesh are set forth for an example suffering the Vengeance of Eternal fire wait a minute Solomon Gomorrah had Eternal fire how is that when the fire's out today amen if Sodom and gabbar is still burning no that word Eternal there is a bad translation it should be in until time enduring until it's time until its purpose has been accomplished amen before I go today I want to say something to all of you the fire that's burning in your life does not have to be eternal oh hallelujah

159 it's up to you it's up to you brother Vaughn I can't take the heat much longer than die just lay down and die quit questioning God about everything and surrender quit being rebellious and surrender and learn brothers and sisters the level of the fire is determined by your level of rebellion amen and let God finish in your life what he started he that started a good work in you he will finish it and it's up to you how long that will take amen praise y'all thank you Father for your word today May it find a lodging place in the hearts of your people I pray in the mighty name of Yeshua amen praise

160 the Lord thank you Father hallelujah hallelujah hallelujah thank you thank you Pastor for this you're so welcome do you know you could live a more Sanctified life if you was more afraid of the lake of fire today than the one that's coming in the afterlife you could live an overcoming life amen Pastor if you wanted to get out of that fire you could jump out of it Hallelujah just by walking in obedience amen good morning to Melissa realhart Pam blades Shane and seren Sparks good morning brother Chuck Durfee sister Wanda Kendrick brother Kendrick sister brother Eric Blackman the Ames family

161 Christian Ames Ray eplin Tyler this year to touch sister dejeer's body today we ask you to we pray for her right now that you would meet her need today in that powerful name the name of Yeshua amen
