

Virtual Reality Workplace Video Clips Career Search Assignment

Take Our Kids to Work Day is an excellent opportunity to take a moment to reflect on your future pathway and potential career opportunities. Complete this assignment to explore the various careers that could result from the classes you are currently taking and the future pathway it could lead to.

1. Check out the [Virtual Reality Workplace Video Clips](#) provided by The Learning Partnerships. Choose one of the clips to further explore.
2. Go to [myBlueprint](#) and log on using your TDSB log in and network password (if this doesn't work try your tdsb email as your username).

3. As a student on the left hand side please click on the “work” subheading and then click on occupations: This is what it would look like:

Home

Job Search

Search for an occupation

Type an occupation name or keyword

Filters

4. Search one of these occupations from the video clips and complete this table:

Name of the Occupation	
Name of the program and	
Name of a Post Secondary Institution that this program is available	
What is a Secondary School Academic Plan to enter this program (program entrance/highschool requirements).	
What are the requirements for the job?	

5. Please research one of the careers from the video clips and explore the tabs on the Government of Canada Website ([Gov't of Canada site](#)).

Occupation Please make sure you clearly name the occupation	Description and Duties	Wages (Median)	Education and Job/Employment Requirements	Outlooks, Prospects, Employment Potential

Reflection on your Career Exploration

1. What was one new thing or interesting thing you learned from the Virtual Reality Video clip?
2. Share one piece of additional information you learned about the career from myBlueprint. Did the additional research impact your decision on whether or not you would pursue this career exploration further? Please explain why.
3. Is there anything else you would like to know about this career?
