Abstract. This template explains and demonstrates how to prepare your abstract for FiNder 2022 conference. The best way is to read these instructions and follow the outline of this text. This template is using A4 format (21 x 29.7 cm or 8 x 11 inches); with the margins: bottom 1.5 cm (0.59 in) and top 2.5 cm (0.98 in), right/left margins must be 2 cm (0.78 in). The author(s) should consider a one-page abstract covering all the contents, including the keywords and the references. The keywords list all the important aspects in your abstract to highlight the content and are limited to a maximum of five keywords. In the reference section, the author(s) provide only a maximum 5 references and are chosen only the appropriate one to describe the content. Please notice that the font type used in this document is Times New Roman, while each section of this document consists of a different size. The font size of the title section is 16pt, authors' name section is 14pt, address and email are 11pt, abstract (this section) is 12pt, and keywords and references are 11pt. The abstract content should not exceed more than 400 words in total.

Keywords: List the semicolon-separated-keywords covered in your paper to maximum five keywords
