Political Education Session Agenda

This agenda is designed for a one-hour session, but you can adapt it as needed for your group.

[20 mins] Check in: Create a haiku (5/7/5) that speaks to the values you embody

[20 mins] Reflections on *Emergent Strategy*

- What new realizations did you experience as you engaged with the content?
- What were the themes that stood out to you across the various excerpts?

[40 mins] Emergent Strategy Assessments

In four small groups, work through the assessments for 20 mins. If you are having these discussions in a work context, prioritize the organization-level questions while keeping in mind that our personal practices inform how we show up to our work.

- Adaptation (discussion questions on page 186)
- Interdependence and decentralization (discussion questions on page 187)
- Nonlinear/iterative (discussion questions on page 188)
- Resilience/Transformative Justice (discussion questions on page 189)

Breakout groups share takeaways with the full group for 20 mins

"The world we want is one where many worlds fit." --Zapatistas

- How can you create more possibilities in your life & work?

Are there any **next steps** we should take as a group based on our discussion?
